## Answers M2 Free | M2 Pdf Format

We give priority to the user experiences and the clients' feedback, M2 practice guide will constantly improve our service and update the version to bring more conveniences to the clients and make them be satisfied. The clients' satisfaction degrees about our M2 training materials are our motive force source to keep forging ahead. Now you can have an understanding of our M2 Guide materials. Every subtle change in the mainstream of the knowledge about the M2 certification will be caught and we try our best to search the M2 study materials resources available to us.

## International Code Council Commercial Mechanical Inspector Sample Questions (Q12-Q17):

### NEW QUESTION # 12

Where located on a roof with a 5:12 slope, a level platform shall be provided along the access panel of the furnace at least \_\_\_\_\_ inches wide.

- A. 0
- B. 1
- C. [option text not fully visible in the material you sent]

- D. 2

**Answer: B**

Explanation:

For appliances on roofs, ICC access provisions require a level platform at the appliance. The platform must be not less than 30 inches in any dimension . For the choices provided, that makes 30 inches the correct answer, which is Option C .

### NEW QUESTION # 13

Natural, manufactured and liquefied petroleum, or a mixture of these, make up:

- A. fuel oil.
- **B. fuel gas.**
- C. natural gas.
- D. liquefied petroleum gas.

**Answer: B**

Explanation:

The IFGC definition of fuel gas is: natural gas, manufactured gas, liquefied petroleum gas or mixtures of these gases . That definition directly matches Option B .

### NEW QUESTION # 14

ERV systems shall not be installed in which of the following except:

- A. equipment designed to assist in the evacuation of occupants.
- B. common exhaust systems for clothes dryers.
- C. exhaust systems emitting corrosive materials.
- **D. systems utilizing coil-type exchangers.**

**Answer: D**

Explanation:

The IMC prohibits energy recovery ventilation systems in several applications, including hazardous exhaust systems , smoke control systems , commercial kitchen exhaust systems , and clothes dryer exhaust systems . Equipment intended to assist with occupant evacuation falls under smoke-control/life-safety type applications and is not an allowed ERV use. By contrast, systems utilizing coil-type exchangers are the exception among the listed choices because they are not one of the prohibited applications in this question. Therefore, Option A is correct.

### NEW QUESTION # 15

The exhaust outlet for a clothes dryer is required to be equipped with:

- A. a temperature limit control device that will automatically shut off the system at a temperature of 250°F.
- B. an automatically controlled volume damper.
- **C. a backdraft damper.**
- D. a corrosion-resistant screen of 1/4-inch mesh.

**Answer: C**

Explanation:

The IMC requires clothes dryer exhaust ducts to terminate outside the building and to be equipped with a backdraft damper at the terminal. The code also prohibits screens at dryer terminations because lint can accumulate and obstruct flow. That makes Option A correct and eliminates Option C . The other two choices describe controls not required by the dryer exhaust termination rule.

### NEW QUESTION # 16

An 8-inch Type B venting system with a listed vent cap must terminate a minimum of \_\_\_\_\_ feet above the flat roof through which it passes.

- A. 0
- B. 1
- C. 2
- D. 3

**Answer: A**

Explanation:

For a Type B gas vent with a listed vent cap terminating through a flat roof, the minimum required termination height is 1 foot above the roof. That makes Option A correct. This is consistent with gas vent termination tables used with listed Type B vent systems and the code framework for Type B vent terminations.

## NEW QUESTION # 17

.....

International Code Council M2 learning materials are new but increasingly popular choices these days which incorporate the newest information and the most professional knowledge of the practice exam. All points of questions required are compiled into our Commercial Mechanical Inspector M2 Preparation quiz by experts. By the way, the M2 certificate is of great importance for your future and education.
