# Test MikroTik MTCNA Answers & Pdf MTCNA Files

Our MTCNA study braindumps for the overwhelming majority of users provide a powerful platform for the users to share. Here, the all users of the MTCNA exam questions can through own ID number to log on to the platform and other users to share and exchange, can even on the platform and struggle with more people to become good friend, pep talk to each other, each other to solve their difficulties in study or life. The MTCNA Prep Guide provides user with not only a learning environment, but also create a learning atmosphere like home.

The MTCNA Exam covers a wide range of topics, including network architecture, routing, wireless networks, firewall and security, and network management. Participants who pass the exam will have demonstrated their ability to configure MikroTik routers, manage network traffic, and troubleshoot network issues. The MTCNA certification is an entry-level certification that is ideal for individuals who are just starting their careers in networking or those who are looking to expand their knowledge and skills in MikroTik RouterOS software. MikroTik Certified Network Associate Exam certification is recognized globally and can lead to better job opportunities and higher salaries in the networking industry.

## Pdf MTCNA Files - MTCNA Frenquent Update

Our MTCNA test material can help you focus and learn effectively. You don't have to worry about not having a dedicated time to learn every day. You can learn our MTCNA exam torrent in a piecemeal time, and you don't have to worry about the tedious and cumbersome learning content. We will simplify the complex concepts by adding diagrams and examples during your study. By choosing our MTCNA test material, you will be able to use time more effectively than others and have the content of important information in the shortest time. And you can pass the MTCNA exam easily and successfully.

## MikroTik Certified Network Associate Exam Sample Questions (Q27-Q32):

**NEW QUESTION # 27**
MikroTik RouterOS commands can be run once a day by:

- A. /system watchdog
- B. /system scheduler
- C. /system cron

**Answer: B**

**NEW QUESTION # 28**

When backing up your router by using the 'Export' command, the following happens:

- A. The Export file can be edited with a standard text editor after its creation
- B. You are requested to give the export file a name
- C. Winbox usernames and passwords are backed up

**Answer: A**

Explanation:
MikroTik RouterOS supports two types of configuration backups:
* /export - creates a human-readable script (.rsc file) containing configuration commands. This file can be edited using any text editor and later imported into another device.
* /system backup - creates a binary image including all settings, passwords, and sensitive data.
Option analysis:
* A.#Incorrect-Export does NOT include passwords or Winbox credentials for security reasons
* B.#Correct-Exported .rsc files are plain-text and editable
* C.#Incorrect-The export file is automatically named (e.g., export.rsc) unless redirected manually Extract from MTCNA Course Material - Backup vs Export:
"Export is a plain-text script file that can be edited and reused. It does not contain encrypted passwords or user credentials." Extract from Rene Meneses MTCNA Study Guide - Backup and Restore:
"Use export to create editable configurations. It excludes sensitive data like passwords." Extract from Terry Combs Notes - Configuration Export:
"Export is readable, editable, and ideal for replicating setups. Passwords and some private info are excluded."

**NEW QUESTION # 29**
Which WLAN IEEE specification allows up to 54Mbps at 2.4GHz?

- A. A
- B. B
- C. G
- D. N

**Answer: C**

**NEW QUESTION # 30**
Mark all correct answers.

- A. /ip firewall filter allows to deny authentication to AP
- B. The only way to prevent wireless clients connections - disable wireless interface
- C. Default-Forwarding could be enabled for a specific clients by wireless access-list
- D. Wireless access-list could allow and deny connect to your AP

**Answer: C,D**

Explanation:
Let's evaluate each statement:
* A.#Incorrect - /ip firewall filter can block traffic after association/authentication but cannot directly prevent wireless authentication. Association happens before IP-level filtering.
* B.#Correct - Wireless access-list allows or denies associations based on MAC address and other parameters (signal strength, etc.).
* C.#Correct - Access-list rules can enable/disable default-forwarding per client (overriding global setting).
* D.#Incorrect - Disabling the wireless interface is not the only way. You can use access-list or disable SSID broadcast.
Extract from MTCNA Course Material - Wireless Access List:
"Access List provides client control based on MAC address. You can accept, reject, and even override default- forwarding per client." Extract from Rene Meneses MTCNA Study Guide - Access Control:
"Wireless Access List can selectively allow or deny clients and enforce individual settings like forwarding." Extract from MikroTik Wiki - Wireless Access List:
"The firewall filter is not involved in authentication. Access control must be done at the wireless layer using access-lists."

## NEW QUESTION # 31

How many collision domains are created when you segment a network with a 12-port switch?

- A. 0
- B. 1
- C. 2
- D. 3

**Answer: B**

Explanation:
Each port on a switch creates its own collision domain. Unlike hubs (which extend a single collision domain), switches segment each interface, allowing full-duplex communication and eliminating collisions.
MTCNA Course Material - Ethernet Switching Concepts:
"Each switch port is a separate collision domain. A 24-port switch creates 24 separate collision domains." Rene Meneses MTCNA Study Guide - Collision and Broadcast Domains:
"Switches break up collision domains per port, unlike hubs."
Therefore, a 12-port switch creates 12 individual collision domains.

## NEW QUESTION # 32

......

You will receive an email attached with MTCNA exam study guide within 5-10 min after you pay. It means that you do not need to wait too long to get the dumps you want. Besides, you will have free access to the updated MikroTik MTCNA study material for one year. If there is any update, our system will send the update MTCNA Test Torrent to your payment email automatically. Please pay attention to your payment email for the latest MikroTik MTCNA exam dumps. If there is no any email about the update, please check your spam.
