### **DAMA Data Management Fundamentals Sample Questions (Q374-Q379):**

#### **NEW QUESTION # 374**

Machine learning explores the construction and study of learning algorithms.

- A. FALSE
- B. TRUE

**Answer: B**

#### **NEW QUESTION # 375**

Which model has one Data Governance organization coordinate with multiple Business Units to maintain consistent definitions and standards?

- A. Federated Data Governance Model
- B. Cognitive Data Governance Model
- C. Associative Data Governance Model
- D. Replicated Data Governance Model
- E. Central Data Governance Model

**Answer: A**

Explanation:

The Federated Data Governance Model involves a central governance body coordinating with business units to ensure consistency. The DAMA-DMBOK states: "In a federated data governance model, a central data governance organization collaborates with multiple business units to maintain consistent definitions, standards, and policies while allowing localized flexibility" (DMBOK2, Chapter 3: Data Governance, p. 117).

Options B, C, D, and E describe other or non-standard models.

Reference:DAMA-DMBOK2, Chapter 3: Data Governance, Section 3.5, p. 117.

#### **NEW QUESTION # 376**

Master data is an aggregation of:

- A. Reference Data
- B. Transaction Structure Data
- C. Enterprise Structure Data
- D. Database Structure Data

**Answer: A,B,C**

#### **NEW QUESTION # 377**

Preparation and pre-processing of historical data needed in a predictive model may be performed in nightly batch processes or in near real-time.

- A. FALSE
- B. TRUE

**Answer: B**

#### **NEW QUESTION # 378**

All DMM and Data Governance assessments should identify its objectives and goals for improvement. This is important because:

- A. Data management and Data Governance assessments have different goals and objectives
- B. There is always room for improvement
- C. An assessment without goals and objectives will not have a conclusion
- D. Assessment objectives start at the business drivers (for funding), goals to describe focus, and objectives to provide specific expectations and criteria for evaluation for success
- E. The assessment team has to be aware of the objectives to be successful

**Answer: D**

## NEW QUESTION # 379
