PRINCE2 Practitioner Exam Sample Questions (Q108-Q113):

NEW QUESTION # 108

The delivery of the pilot courses has been split into two separate products: 'planned pilot courses' and 'delivered pilot courses'. 'Planned pilot courses' will be produced during stage 3, and the 'delivered pilot courses' will take place during stage 4. This will allow the project board to approve the plan for the pilot courses before the resources are committed to delivering the pilot courses.

Why is this an appropriate application of the plans theme to control the project?

- A. Because the delivery steps to create the pilot courses have been aligned to the management stages.
- B. Because the project board should ensure that lessons from one stage are applied to the next stage.
- C. Because a PRINCE2 project should focus on the quality of the products being delivered.
- D. Because the pilot courses have been broken down into two separate products.

Answer: A

NEW QUESTION # 112

ABC Company has a number of projects in progress. The executive of the Health and Safety Training Project is also a member of the project board for two other projects and is very busy. As a result, during this initiation stage, the executive has appointed another person to carry out both their business assurance and the role of change authority for minor and medium severity issues. Is this appropriate, and why?

- A. No, because the project manager identifies the level of tailoring that is relevant for the project.
- B. No, because the decision to have a change authority should be made before the project is authorized.
- C. Yes, because projects that are likely to have many changes should delegate the change authority.
- **D. Yes, because people with delegated project assurance roles may act as the change authority.**

Answer: D
