Microsoft MS-900: Peculiar Features

Microsoft doesn't reveal the details regarding its certification exams. However, the previous test taker shares some important information. Thus, it is known that the Microsoft MS-900 exam is made up of about 40-60 questions. The question formats that may appear in this test include multiple choice, case study, build list, active screen, screen review, best answer options, and so on. You will need to complete all of them within the allocated duration of 60 minutes. You should score at least 700 points out of 1000 to get certified. As for the price, the exam will cost you \$99 plus applicable taxes.

There are many preparation resources for the MS-900 test that are offered on the Microsoft website. These are the exam outline and the official training courses, both self-paced and instructor-led. The main course is Microsoft 365 Fundamentals. This is a paid training option.
