ACFE Certified Fraud Examiner - Investigation Exam Sample Questions (Q116-Q121):

NEW QUESTION # 116

John, a fraud investigator, is interviewing Mary, who he suspects has been embezzling company funds. Which of the following is the recommended approach John should use to ask Mary questions?

- A. Start with specific questions and move toward general questions
- B. Ask questions in random order to keep Mary from guessing the next question
- C. Start with questions about unknown information and work toward known information
- D. Seek general information before seeking specific details

Answer: D

NEW QUESTION # 117

Which of the following should be done to prepare an organization for a formal fraud investigation?

- A. Inform the subject that they are under investigation.
- **B. Notify key decision-makers when the investigation is about to begin**
- C. Notify ML managers about the investigation explaining why it is happening and who is involved
- D. Send an email to all employees explaining the investigation's purpose

Answer: B

NEW QUESTION # 118

If your suspect is investing alleged illicit funds in items that will increase their net worth and you need to prove their illicit income circumstantially, which of the following methods of tracing assets would yield the best result?

- **A. The expenditures method**
- B. The income method
- C. The asset method
- D. The application of funds method

Answer: A

NEW QUESTION # 119

Which of the following is a factor that fraud examiners should consider when determining whether to dispose of evidence following the conclusion of a fraud examination?

- A. Whether the information was presented by a lay witness or an expert witness
- B. Whether the evidence is direct or circumstantial
- **C. Whether the organization has a general document retention policy in place**
- D. Whether the evidence is documentary or testimonial

Answer: C

Explanation:

The Fraud Examiners Manual notes:

"Management of an organization should ensure that the organization has a proper and effective document retention policy in place... An effective policy requires clear retention protocols... and should be immobilized due to a pending investigation or foreseeable litigation." Thus, the existence of a document retention policy is a critical factor in deciding how to dispose of evidence.

NEW QUESTION # 120

When planning for the interview phase of an investigation, which of the following steps should NOT be taken by the fraud examiner?

- A. Prepare a detailed list of questions to ask the subject during the interview.
- B. Review the case file to ensure that important information has not been overlooked
- **C. Ensure that the interview is held in a venue where the subject will feel uncomfortable**
- D. Consider what the interview is intended to accomplish and state an objective.

Answer: C

Explanation:

The Manual emphasizes that interviews should be held where the respondent feels comfortable and secure, not threatened:

"When possible, the interview should be held in a venue where the subject will feel comfortable and secure".

Holding it in an uncomfortable setting is counterproductive and contrary to best practices.
