

# HCL-HWA-ADM-102 Sample Exam - HCL-HWA-ADM-102 Latest Exam Labs

P.S. Free & New HCL-HWA-ADM-102 dumps are available on Google Drive shared by Itcertkey:  
[https://drive.google.com/open?id=1sBxmALXZTnSS6II0rBXxp0NS\\_Few1by8](https://drive.google.com/open?id=1sBxmALXZTnSS6II0rBXxp0NS_Few1by8)

As long as you free download the demos of our HCL-HWA-ADM-102 exam braindumps, you will be surprised by the high quality. It is all about the superior concrete and precision of our HCL-HWA-ADM-102 learning quiz that help. Every page and every points of knowledge have been written from professional experts who are proficient in this line who are being accounting for this line over ten years. Come and buy our HCL-HWA-ADM-102 Study Guide, you will be benefited from it.

Developing your niche is very easy in the presence of the HCL-HWA-ADM-102 dumps. The credentials are not very difficult to achieve because like HCL-HWA-ADM-102 the acclaimed vendors are highly successful in the industry. If you need a boost in your career, then Itcertkey is the site you have to opt for taking HCL-HWA-ADM-102 Certification exams. Some of the vital features of the HCL-HWA-ADM-102 dumps of Itcertkey are given below. HCL-HWA-ADM-102 dumps are the most verified and authentic braindumps that are used to pass the HCL-HWA-ADM-102 certification exam. The whole HCL-HWA-ADM-102 study material is approved by the expert.

## HCL-HWA-ADM-102 Sample Exam 100% Pass | Valid HCLSoftware HCLSoftware Certified Administrator- HWA 10.2 Latest Exam Labs Pass for sure

Our HCL-HWA-ADM-102 training materials are famous for instant access to download. You can receive your downloading link and password within ten minutes, so that you can start your learning as early as possible. In order to build up your confidence for HCL-HWA-ADM-102 exam materials, we are pass guarantee and money back guarantee, and if you fail to pass the exam, we will give you full refund. In addition, HCL-HWA-ADM-102 test materials cover most of knowledge points for the exam, therefore you can mater the major points for the exam as well as improve your professional ability in the process of learning.

## HCLSoftware Certified Administrator- HWA 10.2 Sample Questions (Q622-Q627):

### NEW QUESTION # 622

What parameter in twsinst 10.2 allows adding Java runtime support for advanced job types during agent installation?

- A. -addruntime true
- B. -addjava yes
- C. -skipcheckprereq
- D. -jimportssl true

- E. -jwt true

**Answer: A**

Explanation:

The -addruntime true parameter installs the embedded Java runtime required for executing job types with advanced options, such as access methods or extended agents, ensuring the agent can handle Java-dependent workloads without external JRE.

#### NEW QUESTION # 623

Scenario: In a large enterprise HCL Workload Automation 10.2 deployment with centralized security enabled, an administrator needs to grant a group of operators the ability to submit and monitor job streams in the "Finance" folder and its subfolders, but deny them access to modify database objects or access any other folders. Additionally, they must be able to display the plan but not perform actions like kill or rerun. Which advanced security file entries achieve this granular control? (Select three)

- A. **JOBSTREAM NAME=@+FOLDER="/Finance/\*" ACCESS=DISPLAY,SUBMIT,MONITOR**
- B. CPU=@+FOLDER="/Finance/\*" ACCESS=DISPLAY,SUBMIT
- C. **PLAN ACCESS=DISPLAY**
- D. RESOURCE NAME=@ ACCESS=DISPLAY
- E. FOLDER NAME="/Finance/\*" ACCESS=USE

**Answer: A,B,C**

Explanation:

CPU=@+FOLDER="/Finance/\*" ACCESS=DISPLAY,SUBMIT restricts job submissions and displays to workstations within the Finance folder hierarchy. JOBSTREAM NAME=@+FOLDER="/Finance/\*" ACCESS=DISPLAY,SUBMIT,MONITOR allows viewing, submitting, and monitoring job streams specifically in the Finance folders and subfolders without broader modify rights. PLAN ACCESS=DISPLAY permits viewing the production plan without allowing disruptive actions like kill or rerun, ensuring least-privilege adherence.

#### NEW QUESTION # 624

Dynamic agent HCL HWA 10.2 JobManager gateway 31114 stable but netman NetReq.msg LINK failure prevents ssmagent startup. agent.dynamic.gateway.jmFullyQualifiedHostname verified. What SSL parameter mismatch blocks netman-ssmagent linkage?

- A. jmKeystore expired
- B. enBrokerRetry=YES excessive
- C. **agent.dynamic.gateway.sslTruststore mismatch**
- D. T(netmanPoll)=3 aggressive

**Answer: C**

Explanation:

agent.dynamic.gateway.sslTruststore mismatch blocks netman NetReq.msg LINK despite correct jmFullyQualifiedHostname/port 31114, preventing ssmagentmonman initialization; correcting truststore alignment restores dynamic agent workstation processes without unrelated broker retry or poll adjustments.

#### NEW QUESTION # 625

Dynamic Workload Broker list files TWS\_home/broker/data/alloc\_20260107\_1400.lst show 2800 allocations but DWC reports 41% "Pending" due to incomplete snapshot merge. snapshotInterval=300s lags allocation rate. What list file consolidation prevents reporting gaps?

- A. **BrokerWorkstation.properties: snapshotInterval=10;mergeInterval=30;listFileFormat=JSON**
- B. JobDispatcherConfig.properties: maxListFileAge=3600
- C. CLICongig.properties: listConsolidation=REAL\_TIME
- D. resourceSnapshotThreads=8

**Answer: A**

Explanation:

snapshotInterval=10;mergeInterval=30 captures 2800 allocations/sec with 30s consolidation to DWC eliminating 41% Pending; JSON format enables efficient merge vs LST text parsing overhead maintaining Dynamic Workload Broker real-time reporting accuracy during high-velocity allocation bursts.

### NEW QUESTION # 626

HCL Workload Automation 10.2 automatic failover testing reveals BDM promotion succeeds but dynamic agents lose connectivity for 8 minutes due to missing gateway failover registration. To enable seamless agent reconnection post-auto failover without manual re-registration, which JobManager.ini configuration on dynamic agents supports automatic failover detection?

- A. [SwitchMgr] agent.failover=true reconnect=5m gateway.sync=true
- B. [DynamicAgent] failover.mdm=BDM\_HOST heartbeat=30 auto.register=true
- C. [ITA] gateway.failover.auto=true reconnect.interval=30s
- D. [Netman] auto.failover=true agent.reconnect=30s dynamic=true

**Answer: C**

Explanation:

Dynamic agents configure [ITA] gateway.failover.auto=true reconnect.interval=30s in JobManager.ini to automatically detect MDM failover via gateway heartbeat loss and reconnect to BDM within 30 seconds without re-registration, preserving end-to-end workload continuity critical for production automatic failover scenarios.

### NEW QUESTION # 627

.....

Elaborately designed and developed HCL-HWA-ADM-102 test guide as well as good learning support services are the key to assisting our customers to realize their dreams. Our HCL-HWA-ADM-102 study braindumps have a variety of self-learning and self-assessment functions to detect learners' study outcomes, and the statistical reporting function of our HCL-HWA-ADM-102 test guide is designed for students to figure out their weaknesses and tackle the causes, thus seeking out specific methods dealing with them. Our HCL-HWA-ADM-102 Exam Guide have also set a series of explanation about the complicated parts certificated by the syllabus and are based on the actual situation to stimulate exam circumstance in order to provide you a high-quality and high-efficiency user experience.
