APA Fundamental Payroll Certification 認定 FPC-Remote 試験問題 (Q57-Q62):

質問 # 57

To optimize customer service, policies should include attributes which are:

- A. Fluctuating
- B. Intangible
- C. Interchangeable

- D. Reliable

正解: D

解説:

Comprehensive and Detailed Explanation: Good payroll customer service policies should be:

- * Reliable (Option A)- Consistent and dependable for employees.
- * Accurate- Ensuring payroll is error-free.
- * Responsive- Quick resolution of inquiries.
- * Option B (Fluctuating) is incorrect because inconsistent policies confuse employees.
- * Option C (Interchangeable) is incorrect because policies must be specific to payroll needs.
- * Option D (Intangible) is incorrect because customer service policies should be well-defined and enforceable.

質問 # 58

Based on hours recorded for the 7-day workweek below, calculate the number of overtime hours, if any, under the FLSA.

Monday	Tuesday	Wednesday	Thursday	Friday	Saturday	Sunday
8 (Sick Paid)	10 (Vac Paid)	9	8	8	8	2

- A. 0
- B. 1
- C. 2
- D. 3

正解: A

解説:

Comprehensive and Detailed Explanation: Under the Fair Labor Standards Act (FLSA), overtime is calculated only on actual hours worked beyond 40 hours per workweek.

* Paid leave hours (sick and vacation) do not count as "worked" hours under FLSA overtime rules.

* Calculate actual worked hours:

* Tuesday: 10 hours

* Wednesday: 9 hours

* Thursday: 8 hours

* Friday: 8 hours

* Saturday: 8 hours

* Sunday: 2 hours

* Total actual hours worked = 45 hours

* Overtime hours = 45 - 40 = 5 overtime hours

Thus, the correct answer is B (3 overtime hours), based on hours worked exceeding 40, minus sick and vacation pay.

質問 # 59

Exempt employee master file data should include all of the following elements EXCEPT:

- A. Rate of Pay
- B. Payment Dates
- C. Minimum Wage
- D. Work Location

正解: C

解説:

Comprehensive and Detailed Explanation:

The employee master file for an exempt employee should include:

Payment Dates (B) - To ensure timely payroll processing.

Work Location (C) - For tax and compliance purposes.

Rate of Pay (D) - Required for salary calculations.

Option A (Minimum Wage) is incorrect because exempt employees are not subject to minimum wage laws under FLSA.

Payroll.org - Employee Master File Best Practices

質問 # 60

A company has engaged an individual to write a sales contract. The individual receives a flat amount for the task and has an assigned time frame for completion. This individual is classified as a(n):

- A. Independent Contractor
- B. Commissioned Salesperson
- C. Administrative Employee
- D. Leased Employee

正解: A

解説:

Comprehensive and Detailed Explanation: An independent contractor is an individual who:

* Works on a per-project basis

* Is not under direct employer control

* Provides services to multiple clients

* Option A (Leased Employee) refers to employees hired through a staffing agency.

* Option B (Administrative Employee) is incorrect because administrative employees are typically W-2 employees.

* Option D (Commissioned Salesperson) is incorrect because commissioned employees are paid based on sales, not per-project work.

質問 # 61

When an information return is filed after August 1st of the same year, the penalty amount per form is:

- A. \$120.00
- B. \$60.00
- C. \$630.00
- D. \$310.00

正解: D

解説:

Comprehensive and Detailed Explanation: According to the IRS penalty schedule for late-filed information returns, the penalty per form depends on how late it is filed:

A screenshot of a computer screen AI-generated content may be incorrect.

Filing Timeframe	Penalty Per Form	Maximum Annual Penalty
Within 30 days	\$60.00	\$630,500 (\$220,500 for small businesses)
After 30 days but before August 1	\$120.00	\$1,891,500 (\$630,500 for small businesses)
After August 1 or Not Filed	\$310.00	\$3,783,000 (\$1,261,000 for small businesses)
Intentional Disregard	\$630.00	No limit

* Option A (\$60.00) is incorrect because this applies to returns filed within 30 days of the deadline.

* Option B (\$120.00) is incorrect because this applies to returns filed after 30 days but before August 1.
