Salesforce Certified Sales Cloud Consultant Sample Questions (Q83-Q88):

NEW QUESTION # 83

Cloud Kicks has hired a consultant to help with its quoting process. The consultant has determined that some quote custom fields should be viewed from the Opportunity.

What should a consultant consider when implementing the custom fields?

- A. Only standard fields on the Quote object sync to the Opportunity.
- B. Related Quote Items on all Quotes are impacted when an Opportunity Line Item is deleted.
- C. Opportunity fields are inaccessible when configuring a Quote Template.
- **D. Related Opportunity Line Items remain when a synched Quote Line Item is deleted.**

Answer: D

Explanation:

When a quote is synced with an opportunity, any changes made to the quote line items are reflected in the opportunity line items, and vice versa. However, if a synced quote line item is deleted, the related opportunity line item remains unchanged. This means that the consultant should consider how to handle the discrepancy between the quote and the opportunity when implementing the custom fields.

NEW QUESTION # 84

We deal with a very large volume of merchants that fall under partner accounts.

We need a way to easily track renewals for these accounts.

The volume is too high to manually create renewal opportunities for each account.

Is there a way to automate this?

Answer:

Explanation:

Using APEX trigger you can develop logic and create renewal opp every time when current opp is closed.

This will give you great forecast of upcoming revenue and have renewal deals ready to go.

NEW QUESTION # 85

Cloud Kicks is restructuring its sales teams to align with its product lines. Each sales rep will focus only on the accounts they've been assigned.

Sales reps will run specific product upsell processes.

Which action should the consultant take to support a successful sales team transition?

- A. Meet with sales reps to review products they are assigned and implement Opportunity Teams.
- **B. Meet with territory sales leadership to design territory assignment rules.**
- C. Meet with executive sales leadership to understand the requirements for record sharing.

Answer: B

Explanation:

To support a successful sales team transition when restructuring sales teams to align with product lines, the consultant should meet with territory sales leadership to design territory assignment rules. Territory management ensures that sales reps are assigned to the correct accounts and territories based on the new structure. Designing territory assignment rules will help in automatically assigning the right accounts to the appropriate sales reps, streamlining the transition and ensuring that each sales rep focuses on the accounts they have been assigned. Salesforce's Territory Management functionality provides a robust framework for managing and assigning territories efficiently.

NEW QUESTION # 86

If a lead that has been campaigned to decides to proceed with an opportunity, how is this information tracked through the sales life-cycle?

Answer:

Explanation:

When you convert a lead that is linked to a campaign, campaign name is automatically inserted into the opportunity Primary Campaign Source field and tracked (via opportunity and report).

NEW QUESTION # 87

5 steps to running your campaigns in Salesforce CRM?

Answer:

Explanation:

1. Plan campaigns
2. Create campaigns
3. Execute campaigns
4. Track responses
5. Measure campaigns
