## H13-321\_V2.0-ENU Test Questions Fee, H13-321\_V2.0-ENU Downloadable PDF

Our H13-321\_V2.0-ENU test material can help you focus and learn effectively. You don't have to worry about not having a

dedicated time to learn every day. You can learn our H13-321\_V2.0-ENU exam torrent in a piecemeal time, and you don't have to worry about the tedious and cumbersome learning content. We will simplify the complex concepts by adding diagrams and examples during your study. By choosing our H13-321\_V2.0-ENU test material, you will be able to use time more effectively than others and have the content of important information in the shortest time. And you can pass the H13-321\_V2.0-ENU exam easily and successfully.

## Huawei HCIP-AI-EI Developer V2.0 Sample Questions (Q181-Q186):

### NEW QUESTION # 181

Which of the following operators can be used to implement edge detection through the filter method? (Multiple choice)

- A. Gaussian operator
- B. Prewitt operator
- C. Sobel operator
- D. Laplacian operator

**Answer: B,C,D**

### NEW QUESTION # 182

Which of the following is correct about the Gaussian distribution curve?

- A. The Gaussian curve is bell-shaped, with low ends and high in the middle.
- B. The larger the standard deviation, the taller the curve.
- C. The Gaussian curve is bell-shaped, with high ends and low in the middle.
- D. The smaller the standard deviation, the flatter the curve

**Answer: A**

### NEW QUESTION # 183

When calling the face comparison service, the person's gender is also one of the return values.

- A. True
- B. False

**Answer: B**

### NEW QUESTION # 184

Regarding the comparison between LSTM and GRU, which of the following statement is correct? (Multiple choice)

- A. LSTM is controllable in terms of the memory it retains, while GRU is not
- B. There is not much difference between standard LSTM and GRU, and both are better than ordinary RNN
- C. GRU structure is simpler than LSTM, and has one less gate than LSTM, so the calculation speed is faster than LSTM
- D. LSTM can process longer sequences than GRU

**Answer: A,B,C**

### NEW QUESTION # 185

The structure of the perceptron simulates which of the following biological structures?

- A. Brain
- B. Neurons
- C. Ears
- D. Eyes

**Answer: B**
