ICF Associate Certified Coach ICF-ACC Prüfungsfragen mit Lösungen (Q85-Q90):

85. Frage

At which point in the coaching process should the coach explain the rules around confidentiality?

- A. Before scheduling o second session
- B. After assessment are completed
- C. By the end of the first session
- **D. Before the coaching begins**

Antwort: D

Begründung:

The ICF Code of Ethics (Section 4.1) requires coaches to "explain and ensure that, prior to or at the initial meeting, my coaching client(s) understand the nature and limits of confidentiality." This must occur before coaching starts (Competency 3). Let's analyze:

- A . Before the coaching begins: This aligns with Section 4.1 and Competency 3, ensuring clarity upfront.
 - B . By the end of the first session: This is too late; clients need to know limits before sharing (Section 4.2).
 - C . After assessments are completed: This delays critical disclosure, risking trust (Section 4).
 - D . Before scheduling a second session: This is after coaching begins, missing the ethical timing (Section 1.2).
- Option A is the correct point, per ICF's ethical standards.

86. Frage

Which type of listening involves attending to the client's words body language and tone at the same time?

- A. Attentive
- B. Basic
- **C. Active**
- D. Explorative

Antwort: C

Begründung:

ICF Competency 6 ("Listens Actively") involves "focusing fully on what the client is saying and not saying, understanding the meaning in context," including verbal and non-verbal cues like tone and body language.

Let's evaluate:

- * A. Basic: This implies minimal engagement, not attending to multiple cues (below Competency 6).
 - * B. Attentive: This suggests focus but lacks the depth of interpreting body language and tone (less than Competency 6).
 - * C. Active: This matches Competency 6, encompassing words, tone, and body language simultaneously.
 - * D. Explorative: This aligns more with questioning (Competency 7), not listening.
- Option C is the type of listening described, per ICF's definition of active listening.

87. Frage

Which behavior best reflects the coaching competency Establishes and Maintains Agreements?

- A. Partners with the client to determine client-coach compatibility
- B. Acknowledges and respects the client's unique insights in the coaching process
- C. Develops an ongoing reflective practice to enhance one's coaching
- D. Manages their emotions to remain present with the client

Antwort: A

88. Frage

At the end of the session, the client states that they are quite happy with their new awareness and are ready to leave. The best response is:

- A. Are happy for the client and let them go.
- B. Tell the client that a coaching session is not finished until they have an action plan.
- C. Ask the client whether it might be helpful to explore some actions and accountability measures.
- D. Ask what they would like to work on next time.

Antwort: C

Begründung:

Option A aligns with Competency 8.2, "Partners with the client to design goals, actions, and accountability measures," by inviting the client to consider next steps without forcing them, respecting autonomy (Competency 8.3) and partnership (Competency 2.2). It adheres to Ethics Section 1.1 (client-led process).

Option B ends prematurely, missing growth opportunities (Competency 8). Option C imposes a rule, violating Competency 2.2 and Ethics Section 2.2. Option D shifts focus to the future without integrating current awareness (Competency 8.1). A best balances closure and progress.

89. Frage

If a company sponsors a coach to work with an employee, which party is responsible for ensuring the employee knows what situations would require the coach to breach confidentiality?

- A. The employee
- B. The coach
- C. The employee's supervisor
- D. The company attorneys

Antwort: B

Begründung:

The ICF Code of Ethics (Section 4.1) mandates that coaches "explain and ensure that, prior to or at the initial meeting, my coaching client(s) understand the nature and limits of confidentiality." In a sponsored arrangement, the coach retains this responsibility (Competency 3). Let's analyze:

A. The employee: The client isn't responsible for defining confidentiality; this is the coach's duty (Section 4.2).

B. The coach: The coach must clarify confidentiality, including sponsor-related exceptions, in the agreement (Section 1.2), making them responsible.

C. The employee's supervisor: The supervisor may have a role in logistics, but not in explaining coaching ethics (Section 4).
D. The company attorneys: Legal input may inform policy, but the coach directly communicates ethical standards to the client (Competency 3).
Option B reflects the coach's responsibility, per ICF standards.
