PRAXIS Praxis Business Education: Content Knowledge (5101) Exam Sample Questions (Q11-Q16):

NEW QUESTION # 11

Which of the following is a recommendation statement for a business report?

- A. Over half of the employees could not complete an evaluation of the network.
- **B. All employees should receive formal training on the network.**
- C. The network is not functioning correctly.
- D. Employees lack the confidence to use the network.

Answer: B

Explanation:

A recommendation statement in a business report proposes a specific action to address an issue. Option B ("All employees should receive formal training on the network") suggests a solution, making it a recommendation. Options A, C, and D describe problems or observations without proposing actions. This question falls under the Communication and Career Development category, focusing on effective business reporting.

NEW QUESTION # 12

The process of gathering and analyzing information about customers and markets is called

- **A. market research**
- B. relationship research
- C. financial research
- D. consumer research

Answer: A

Explanation:

Market research involves gathering and analyzing data about customers, competitors, and market trends to inform business decisions. Option A (financial research) focuses on financial data. Option B (consumer research) is a subset of market research, less comprehensive. Option D (relationship research) is not a standard term. This question falls under the Management and Marketing category, emphasizing market analysis.

NEW QUESTION # 13

Which of the following is the best reason for completing a career assessment?

- A. It defines significant industry trends.
- B. It ensures a career in a high-demand field.
- C. It guarantees the correct career path.
- **D. It reduces the chance of making a poor career choice.**

Answer: D

Explanation:

A career assessment helps individuals identify their interests, skills, and values, reducing the likelihood of choosing an unsuitable career by providing informed guidance. Option A is incorrect, as no assessment guarantees a career path. Option B (industry trends) is not the primary focus of career assessments. Option C (high-demand field) is not ensured, as assessments prioritize fit over demand. This question falls under the Communication and Career Development category, focusing on career planning.

NEW QUESTION # 14

To exchange one currency for another in international transactions, companies rely on a mechanism called the

- A. international bond market
- B. Eurocurrency market
- C. international equity market
- D. foreign exchange market

Answer: D

Explanation:

The foreign exchange market facilitates the exchange of one currency for another, enabling international transactions by determining exchange rates. Option A (Eurocurrency market) deals with currencies held outside their home country. Option C (international equity market) involves stock trading. Option D (international bond market) pertains to debt securities. This question aligns with the Economics category, focusing on international finance.

NEW QUESTION # 15

Which of the following is an example of place utility?

- A. Arrangements are made for the transfer of title from seller to buyer.
- B. A business firm converts raw materials into finished products.
- C. Goods or services are available at a convenient location when the consumer wants to buy them.
- D. Products requested by the consumer are ordered on demand.

Answer: C

Explanation:

Place utility refers to making goods or services available at convenient locations and times for consumers, enhancing accessibility. Option A (title transfer) relates to ownership utility. Option C (on-demand ordering) aligns with time utility. Option D (converting raw materials) is form utility. This question falls under the Management and Marketing category, emphasizing marketing utilities.
