PRINCE2 7 Foundation written Exam Sample Questions (Q50-Q55):

NEW QUESTION # 50

Which describes a characteristic of a project?

- A. It enables established and proven best practices
- B. It provides a quality service to customers
- C. It maintains business as usual profitability
- **D. It involves a team with different skills**

Answer: D

Explanation:

A characteristic of a project is that it involves a team with different skills. Projects typically require a combination of various skills and expertise to deliver the project's products. This collaboration of diverse skills sets projects apart from regular, routine business activities, which may not require such varied expertise. NEW QUESTION # 51

Who is responsible for documenting any tailoring of the business case theme?

- A. Corporate management
- **B. Project manager**
- C. Executive
- D. Business project assurance

Answer: B

Explanation:

In PRINCE2, the responsibility for documenting any tailoring of the Business Case theme, along with other themes, generally falls to the Project Manager. This includes documenting how the theme is being applied in a particular project context, ensuring the approach remains appropriate and meets the project's requirements.

NEW QUESTION # 52

According to the 'defined roles and responsibilities' principle, how many categories of stakeholder interest need to be represented in the project management team?

- **A. Three**
- B. Two
- C. One
- D. Six

Answer: A

Explanation:

According to the 'defined roles and responsibilities' principle in PRINCE2, three categories of stakeholder interest need to be represented in the project management team: business (represented by the Executive), user (represented by the Senior User), and supplier (represented by the Senior Supplier). This ensures that the key perspectives on the project's outputs, outcomes, and processes are fully integrated into decision-making and governance structures.
