IASPStrategy Planning Professional Exam SPP Prüfungsfragen mit Lösungen (Q79-Q84):

79. Frage

True or False: Middle managers are exclusively responsible for the development of scenarios to influence the organization's strategic direction.

- A. False
- B. True

Antwort: A

Begründung:

Middle managers are important contributors but are not exclusively responsible for scenario development affecting strategic direction. Scenario planning is typically a collaborative effort involving senior leadership, strategic planners, and key stakeholders. The IASP SPP curriculum highlights inclusive scenario development to incorporate diverse perspectives and improve strategic robustness. #IASP SPP Study Guide - Scenario Planning##Schoemaker, Scenario Planning#

80. Frage

Which of the following differentiates vision from strategy?

- A. Vision is "our purpose"; strategy is "our core values and principles"
- B. Vision is "who we are"; strategy is "what products and services we are selling"
- C. Vision is "why we are in business"; strategy is "who we are"

- D. Vision is "our picture of the organization's future"; strategy is "how we plan to go about accomplishing our vision"

Antwort: D

Begründung:

Vision defines the organization's aspirational future state or "picture of the future", while strategy outlines the approach or plan for achieving that vision. The IASP SPP curriculum clarifies that vision inspires and guides, while strategy operationalizes vision through concrete actions and resource allocation.

This distinction is fundamental for effective strategic planning and communication. #IASP SPP Study Guide - Vision and Strategy##Drucker, The Practice of Management#

81. Frage

Which of the following BEST ensures that front-line employees understand how to help implement an organization's strategic plan?

- A. Integrate the strategic plan with all departmental planning and budgeting
- B. Subject employees to an evaluation confirming they have memorized the organization's mission statement
- C. Provide organization-wide general training focused on the concept of strategy implementation
- D. Share a brief summary of the plan with all employees

Antwort: A

Begründung:

The best way to ensure front-line employees understand their role in strategy implementation is to integrate the strategic plan into departmental planning and budgeting, connecting strategy directly to operational activities and resources. The IASP SPP curriculum underscores this integration as vital for translating high-level plans into daily actions and accountability. Summaries, memorization, or general training are insufficient without operational linkage. #IASP SPP Study Guide - Strategy Implementation##Kaplan & Norton, Balanced Scorecard#

82. Frage

Who is responsible for ensuring the separation of strategic planning processes from day-to-day operations?

- A. A committee with one member from each department
- B. Chief strategy officer, staff, and consultants
- C. Senior leadership
- D. A mix of employees from different parts of the organization

Antwort: C

Begründung:

Senior leadership is responsible for maintaining clear separation between strategic planning and routine operations, ensuring focus on long-term direction without being consumed by daily tasks. The IASP SPP curriculum stresses this role to preserve strategic thinking and governance, while operational managers handle execution. Committees or mixed employee groups support but do not hold ultimate responsibility. #IASP SPP Study Guide - Governance##Kotter, Leading Change#

83. Frage

Cost reduction can be MOST consistently achieved by

- A. Pressuring suppliers to cut corners
- B. Investing heavily in information technology
- C. Reducing staff to minimum essential levels
- D. Reducing unnecessary processes

Antwort: D

Begründung:

Consistent cost reduction is best achieved by eliminating unnecessary or non-value-adding processes, streamlining operations for efficiency. The IASP SPP curriculum highlights process optimization as a sustainable cost control strategy, unlike aggressive supplier pressure or workforce cuts, which can harm quality or morale. IT investments can enable cost reduction but are not
