#### NEW QUESTION # 17

Which activity is typically a responsibility that is shared between a business relationship manager and a business relationship agent?

- A. Developing business relationship models
- B. Maintaining business relationship models
- C. Coordinating interactions between the service provider and service consumer
- D. Managing business relationship exceptions

**Answer: C**

Explanation:

Both the business relationship manager and agents collaborate to coordinate interactions between the service provider and service consumer, ensuring seamless communication and alignment.

#### NEW QUESTION # 18

What key question should be asked when verifying and adjusting a business relationship model?

- A. Is there an applicable relationship model?
- B. Did we deviate from the model or did the model not work as expected?
- C. Does the agent understand the context and the applicable relationship model?
- D. Is this a new or existing relationship?

**Answer: B**

Explanation:

Verifying and adjusting the business relationship model requires assessing whether deviations occurred because the process wasn't followed or because the model itself was ineffective.

#### NEW QUESTION # 19
