100% Pass-Rate Exam EX432 Duration – Correct Actual Test for EX432

In this career advancement Red Hat Certified Specialist in OpenShift Advanced Cluster Management (EX432) certification journey you can get help from valid, updated, and real EX432 Dumps questions which you can instantly download from ActualTestsQuiz. At this platform, you will get the top-rated and Real EX432 Exam Questions that are ideal study material for quick RedHat EX432 exam preparation.

RedHat Red Hat Certified Specialist in OpenShift Advanced Cluster Management Sample Questions (Q32-Q37):

NEW QUESTION # 32

Create a policy to enforce "etcd encryption enabled" and verify compliance status

Answer:

Explanation:

See the solution below in Explanation.

- * In ACM console: Governance # Create policy # ETCD Encryption template and set to enforce .
- * Target clusters via Placement.
- * Confirm policy status: Compliant / NonCompliant per cluster.

NEW QUESTION # 33

Create MultiClusterHub (CLI Alternative)

Task information: Apply the MultiClusterHub custom resource if not using Web Console.

Answer:

Explanation:

See the solution below in Explanation.

Explanation:

* Ensure you are logged into the hub cluster:

* `oc whoami`

* `oc project open-cluster-management`

* Create/apply the MultiClusterHub CR:

* `oc apply -f multiclusterhub.yaml`

* Verify it was created:

* `oc get multiclusterhub -A`

* `oc describe multiclusterhub -n open-cluster-management`

* Watch pods come up (typical namespaces include `open-cluster-management`, `open-cluster-management-hub`, etc. depending on ACM version/config):

* `oc get pods -n open-cluster-management -w`

Why these steps matter:

* The MultiClusterHub CR is the "hub installation" object. The operator reconciles it and installs/maintains hub services.

NEW QUESTION # 34

Switch a policy from `enforce` to `inform` (report-only) and validate behavior

Answer:

Explanation:

See the solution below in Explanation.

Explanation:

* Patch remediation to `inform`:

`oc patch policy policy-ensure-audit-namespace -n team-dev --type=merge -p '{"spec":{"remediationAction":"inform"}}'`

* Verify:

`oc get policy policy-ensure-audit-namespace -n team-dev -o yaml | grep remediationAction -n`

* Observe compliance changes (policy will report but not auto-fix).

NEW QUESTION # 35

Rotate/renew managed cluster access (agent cert / CSR workflow) and restore connectivity

Answer:

Explanation:

See the solution below in Explanation.

Explanation:

* On hub: inspect managed cluster conditions for certificate issues.

* Check pending CSRs (if applicable in your lab):

`oc get csr`

* Approve relevant CSRs and verify managed cluster returns Ready. Why this matters: Certificate-driven trust is core to "secure clusters" operations in ACM.

NEW QUESTION # 36

Configure Observability (MultiClusterObservability) with object storage credentials

Answer:

Explanation:

See the solution below in Explanation.

Explanation:

* Create the object storage secret (you'll be given endpoint/access keys in an exam):

`oc -n open-cluster-management-observability create secret generic thanos-object-storage \`

`--from-file=thanos.yaml=/path/to/thanos.yaml`

- * Create or edit MultiClusterObservability CR to enable observability (storage class, retention, etc.).
- * Verify observability pods in the observability namespace and check dashboards/metrics. Why this matters: Monitoring health/performance with ACM observability is a common learning objective in ACM training.

NEW QUESTION # 37

.....

In order to let you understand our products in detail, our EX432 test torrent has a free trial service for all customers. You can download the trial version of our EX432 study torrent before you buy our products, you will develop a better understanding of our products by the trial version. In addition, the buying process of our EX432 Exam Prep is very convenient and significant. You will receive the email from our company in 5 to 10 minutes after you pay successfully; you just need to click on the link and log in, then you can start to use our EX432 study torrent for studying.
