Medical Professional Certified Case Manager Certification Exam (CCM) Sample Questions (Q41-Q46):

NEW QUESTION # 41

Which two statements are true under the FIDIC Red Book (edition 1999)?
(Choose all of the correct answers - multiple possibilities)

- A. The Engineer shall issue the Performance Certificate within 28 days at the latest: by the end of the Defects Notification Periods, and once the Contractor has supplied all the Contractor's Documents and completed and tested all Works including remedying any defects in accordance with the Contract.
- B. The Performance Certificate is deemed to be issued on fulfilment of certain conditions stated in the respective Sub-Clause.
- C. The Performance Certificate is deemed to constitute the acceptance of the Works.
- D. The Performance Certificate constitutes acceptance of the Works and full performance of all obligations of each Party.

Answer: A,B

Explanation:

Under the FIDIC Red Book 1999, the Performance Certificate marks the end of the Contractor's obligations under the contract (Sub-Clause 11.9). The Engineer must issue this certificate once the Defects Notification Period has ended, all Contractor's Documents are submitted, and all works including defect rectification have been completed and tested.

Option C is correct because the Engineer is required to issue the Performance Certificate within 28 days after these conditions are met.

Option D is correct as the certificate is conditional upon fulfilling specific contract requirements (e.g., completion of works, submission of documents).

Option A is incorrect because acceptance of works usually happens earlier (e.g., taking-over certificate); the Performance Certificate represents completion of all contractual obligations, not just acceptance.

Option B is incorrect as the Performance Certificate confirms contractual completion but does not necessarily imply full mutual performance beyond contract terms.

NEW QUESTION # 42

The details of all the matters that have been clarified and agreed between the Employer and tenderers during the tender stage are recorded by, for instance, a memorandum of understanding. The Employer may award the contract to the tenderer through a letter of formal acceptance, signed by the Employer. This process is in compliance with which one of the following Golden Principles (GP's)?

- A. GP 3
- B. GP 1
- C. GPA
- D. GP 2

Answer: B

Explanation:

FIDIC's Golden Principles (GPs) guide good contract management and administration. Golden Principle 1 (GP1) emphasizes "Clear communication and documentation" to avoid misunderstandings and disputes. It specifically promotes thorough documentation of all agreements and clarifications reached during the tender process. The use of a memorandum of understanding or similar record ensures transparency and mutual understanding. Furthermore, the formal award of the contract by a signed letter of acceptance aligns with the principle of clear and formal contract formation.

* GP1 ensures that all key matters, changes, and agreements are properly documented during the tender phase and contract award to form an unambiguous contractual basis.

* GP2 and GP3 relate more to ongoing contract administration, risk management, and dispute resolution rather than the contract formation process.

* GPA (Golden Principle A) is not a standard FIDIC term associated with contract formation or tender stage documentation.

Therefore, the described process aligns best with Golden Principle 1 (GP1).

NEW QUESTION # 43

A Contractor under the FIDIC Silver Book (edition 1999) has not been able to finish the Works within the Time for Completion as mentioned in the Contract and has overrun the Time for Completion by 3 months.

This results in a significant claim of \$4,500,000 from the Employer. The Employer has submitted this claim to the Contractor according to the procedures as mentioned in the Contract. The Contractor asks you for advice and refers to Clause 8. Which one of the following statements is NOT true?

- A. The root cause of the delay has to be determined by the Contractor, thereby especially verifying if the cause of the delay lies in a delay caused by the Authorities.
- B. If the delay is entirely caused by the Employer having instructed the Contractor to suspend progress during the Works, while the cause of the suspension is not the responsibility of the Contractor, the claim for delay damages was wrongfully issued.
- C. If there are Variations agreed between the Contractor and the Employer, the Contractor should check if an adjustment for Time for Completion was part of any of these Variations.
- **D. In addition to the delay damages as mentioned in Sub-Clause 2.5, the Employer has the right to claim any extra costs it has to make due to the delay, as delay damages are not seen as compensation for costs incurred by the Employer, but only as an incentive for the Contractor to perform on time.**

Answer: D

Explanation:

Comprehensive and Detailed Explanation:

Option C is not true because under the FIDIC Silver Book (1999 edition), the delay damages (liquidated damages) specified in the contract are intended as full compensation for the Employer's loss resulting from late completion. The contract usually excludes other claims for actual losses or extra costs beyond the delay damages.

Option A is true; Variations can include extensions of time.

Option B is true; identifying delay causes is essential for claims and defences.

Option D is true; if the Employer causes suspension not attributable to the Contractor, delay damages claims by the Employer are generally unjustified.

Thus, the Employer cannot claim extra costs over and above delay damages as per typical Silver Book provisions.

NEW QUESTION # 44

Which two of the following statements are correct, regarding the Programme under FIDIC Red, Yellow and Silver Books (edition 2017)?

Choose all of the correct answers (multiple possibilities).

- A. The Programme is a contract document, and thus, considered binding on the Parties.
- **B. The Contractor is required to proceed in accordance with the Programme and the Employer's Personnel shall be entitled to rely upon the Programme in planning their activities.**
- C. The Engineer/Employer is not required to review the Programme, and also not required to inform the Contractor if the Programme does not comply with the Contract.
- **D. Nothing in any Programme will relieve the Contractor from any obligations to give contractual notice under the Conditions of Contract.**

Answer: B,D

Explanation:

Comprehensive and Detailed Explanation:

Option A is correct: The Contractor must proceed according to the approved Programme, and the Employer's personnel rely on the Programme for coordinating their activities.

Option B is correct: Submission and approval of the Programme do not relieve the Contractor of the obligation to give timely notices

for delays or other events as required under the contract (e.g., notices under Sub-Clause 8.4).

Option C is incorrect because the Programme is not strictly a contract document binding parties in the legal sense; it is a working tool to manage and monitor progress.

Option D is incorrect; the Engineer/Employer must review the Programme and notify the Contractor if it does not comply, per contract clauses.

NEW QUESTION # 45

Which of the following FIDIC contract forms require certification in the payment process? (2 correct answers apply) Choose all of the correct answers (multiple possibilities).

- A. FIDIC Conditions of Contract for Plant and Design Build ("Yellow Book").
- B. FIDIC Conditions of Contract for Construction ("Red Book").
- C. FIDIC Conditions of Contract for EPC/Turnkey Projects ("Silver Book").

Answer: A,B

Explanation:

Comprehensive and Detailed Explanation:

Options A and B are correct: Both the Red and Yellow Books require the Engineer to certify payments before the Employer pays the Contractor.

Option C (Silver Book) typically places the risk on the Contractor and often provides for payment without Engineer certification, reflecting the turnkey nature of the contract.
