- B. Make two separate Lightning record pages and assign them to the applicable profiles.
- C. Use Dynamic Actions and conditional visibility to show the appropriate actions to the applicable users.
- D. Configure two separate permission sets and assign the appropriate permissions to each user.

Answer: C

NEW QUESTION # 18

What are three options available to the administrator to help with this issue? Choose 3 answers

- A. Remove some of the fields displayed.
- B. Deactivate unnecessary validation rules.
- C. Convert all Process builders to flows.
- D. Move some page components behind a tab.
- E. Reduce the number of related lists displayed.

Answer: A,D,E

Explanation:

Move some page components behind a tab, remove some of the fields displayed, and reduce the number of related lists displayed are three options available to the administrator to help with this issue. Moving some page components behind a tab can help reduce the loading time of a record page by hiding some components until they are needed by the user.
