**NEW QUESTION # 582**

Which of the following statements is true regarding different competitive strategies?

- A. An organization that adopts a cost leadership competitive strategy generally maintains standard operating procedures to ensure efficiency.
- B. An organization that adopts a cost leadership strategy is known for cherishing employees who think creatively and emphasize uniqueness.
- C. An organization that adopts a differentiation strategy generally maintains a targeted strategic approach to its operations.
- D. An organization that adopts a focus strategy is known for taking the lead in technological advancement.

**Answer: A**

Explanation:

Comprehensive and Detailed Explanation:

Porter's competitive strategies include cost leadership, differentiation, and focus.

\* A cost leadership strategy emphasizes efficiency, low costs, and economies of scale, which often requires strict standard operating procedures (A).

\* A differentiation strategy emphasizes unique value, branding, and innovation across a wide market, not necessarily a targeted approach (B).

\* A focus strategy emphasizes serving a niche market segment, not technological leadership (C).

\* Creativity and uniqueness are traits aligned with differentiation, not cost leadership (D).

Therefore, the true statement is Option A, reflecting how cost leadership relies on standardized processes to maintain efficiency and reduce costs.

**NEW QUESTION # 583**

**NEW QUESTION # 584**

Which of the following activities Is most likely to require a fraud specialist to supplement the knowledge and skills of the internal audit activity?

- A. Employing audit tests to detect fraud
- B. Interrogating a suspected fraudster.
- C. Planning an engagement of the area in which fraud is suspected.
- D. Completing a process review to improve controls to prevent fraud.

**Answer: B**

#### Explanation:

Specialized Knowledge: Interrogating a suspected fraudster requires specialized knowledge and skills that go beyond the typical expertise of internal auditors. This includes understanding interrogation techniques, legal implications, and psychological aspects. Fraud Specialist: A fraud specialist is trained in conducting investigations, including interrogations, and can provide valuable insights and evidence in cases of suspected fraud.

IIA Standards: According to Standard 1210.A2, internal auditors must have sufficient knowledge to evaluate the risk of fraud and the manner in which it is managed by the organization but are not expected to have the expertise of a person whose primary responsibility is detecting and investigating fraud.

#### Collaborative Approach:

\* Fraud Investigations: Engaging a fraud specialist ensures that the investigation is conducted thoroughly and professionally, adhering to legal and ethical standards.

\* Support to Internal Audit: The fraud specialist can provide support and guidance to the internal audit activity, enhancing the overall effectiveness of the fraud investigation.

#### References:

\* Employing a fraud specialist to interrogate a suspected fraudster ensures that the investigation is handled with the necessary expertise and legal compliance, thereby increasing the chances of uncovering the truth and taking appropriate actions.
