**Answer: B**

#### **NEW QUESTION # 100**

.....

Our A1000-182 study materials boost the self-learning and self-evaluation functions so as to let the clients understand their learning results and learning process , then find the weak links to improve them. Through the self-learning function the learners can choose the learning methods by themselves and choose the contents which they think are important. Through the self-evaluation function the learners can evaluate their mastery degree of our A1000-182 Study Materials and their learning process. The two functions can help the learners adjust their learning arrangements and schedules to efficiently prepare the exam.
