Introduction to GCIH Exam

The GIAC Certified Incident Handler (GCIH) certification is an IT / IS security document intended to demonstrate the competence and understanding of a person to detect, respond and resolve cybersecurity incidents in a corporate environment. GIAC was founded by the SANS Institute (a private US company) in 1999. Although the two entities are connected and therefore work together, candidates are not required to take the SANS training to take the GCIH Exam.
