Free PDF 2026 UiPath UiAAAv1: UiPath Agentic Automation Associate Updated Latest Dumps

ExamcollectionPass offers real UiPath UiAAAv1 Questions that can solve this trouble for students. Professionals have made the UiPath UiAAAv1 questions of ExamcollectionPass after working days without caring about themselves to provide the applicants with actual UiAAAv1 exam questions ExamcollectionPass guarantees our customers that they can pass the UiPath Agentic Automation Associate (UiAAAv1) exam on the first try by preparing from ExamcollectionPass, and if they fail to pass it despite their best efforts, they can claim their payment back according to some terms and conditions.

UiPath Agentic Automation Associate Sample Questions (Q28-Q33):

NEW QUESTION # 28

Scenario: A Citrix Administrator configures the 'Auto connect client drives' user settings to map client drives within the HDX session for all published desktops. The setting is configured in a Baseline Group Policy Object (GPO) and linked to an Organizational Unit (OU) that contains all of the published desktops. When a user launches the desktop, client drives are NOT mapped. What is a possible reason?

- A. gpupdate /force needs to be executed on all of the machines.
- **B. Loopback processing is NOT enabled.**
- C. Desktops need to be restarted for the policy to be applied.
- D. The GPO needs to be linked to the User OU.

Answer: B

Explanation:

User settings in a GPO linked to a machine OU only apply if loopback processing is enabled.

Since the "Auto connect client drives" setting is a user policy but applied at the desktop OU level, loopback processing must be enabled for the policy to take effect within the HDX sessions.

NEW QUESTION # 29

A Citrix Administrator is tasked with configuring Autoscale in an on-prem Citrix Virtual Apps and Desktops environment. However, when launching Citrix Studio and locating the Delivery Group, the option to Manage Autoscale is missing. What must the administrator do to enable and configure Autoscale using a GUI interface?

- A. Enable Autoscale using a Citrix Policy
- B. use PowerShell to enable Autoscale
- C. Enable Autoscale using a GPO
- **D. Use Citrix Web Studio instead of Citrix Studio**

Answer: D

Explanation:

Autoscale management is only available through Citrix Web Studio, not the traditional Citrix Studio console. To enable and configure Autoscale with a GUI, the administrator must use Web Studio.

NEW QUESTION # 30

Which step can a Citrix Administrator take in order to use the default compression policies?

- A. Select the compression algorithm (gzip/deflate/identity).
- **B. Bind the default compression policies to the virtual server.**
- C. Enable compression on the associated bound services.
- D. Disable the Citrix ADC Compression feature at a global level.

Answer: B

NEW QUESTION # 31

Which layer contains the Site database in a Citrix Virtual Apps and Desktops Architecture model?

- A. Resource
- B. User
- C. Control
- **D. Access**

Answer: D

NEW QUESTION # 32

Scenario: A Citrix Administrator is investigating an instability in the system that is causing the Print Spooler service to stop frequently on the Virtual Delivery Agent (VDA) machine. The administrator finds printer driver conflicts in the environment and needs to remove the problem drivers while still maintaining printing functionality. Which policy setting can the administrator use to resolve this issue on the VDA machine?

- A. Auto-create all client printers
- **B. Use universal printing only**
- C. Automatic installation of in-box printer drivers
- D. Use only printer model specific drivers

Answer: B

Explanation:

By enabling the "Use universal printing only" policy, the VDA will rely exclusively on the Citrix Universal Print Driver instead of

loading multiple printer model-specific drivers. This resolves driver conflicts, stabilizes the Print Spooler service, and maintains printing functionality.

NEW QUESTION # 33

.....

The pass rate is 98% for UiAAAv1 exam bootcamp, if you choose us, we can ensure you that you can pass the exam just one time.
