NEW QUESTION # 52

You are a functional consultant for Contoso Entertainment System USA (USMF).

You need to automate the allocation of a prepaid expense of 2 percent of all product sales. The allocation must be posted to account number 222222.

To complete this task, sign in to the Dynamics 365 portal.

- A. You need to configure a prepayment percentage for all items. The instructions below are for a single item. For this question, you need to select 'All' for all items, enter 2 in the percentage field and select account number 222222 in the account field.

Answer: A

Explanation:

To set up prepayment percentages for items, customers, and vendors

For an item, you can set up a default prepayment percentage for all customers, a specific customer, or a customer price group.

2. Select an item, and then choose the Prepayment Percentages action.

3. On the Sales Prepayment Percentages page, fill in the fields as necessary. Hover over a field to read a short description.

NEW QUESTION # 55

Note: This question is part of a series of questions that present the same scenario. Each question in the series contains a unique solution that might meet the stated goals. Some question sets might have more than one correct solution, while others might not have a correct solution.

After you answer a question in this section, you will NOT be able to return to it. As a result, these questions will not appear in the review screen.

A client has one legal entity, two departments, and two divisions. The client is implementing Dynamics 365 Finance. The departments and divisions are set up as financial dimensions.

The client has the following requirements:

- * Only expense accounts require dimensions posted with the transactions.
- * Users must not have the option to select dimensions for a balance sheet account.

You need to configure the ledger to show applicable financial dimensions based on the main account selected in journal entry.

Solution: Configure default financial dimensions on expense accounts only.

Does the solution meet the goal?

- A. yes
- B. no

Answer: B
