Salesforce is a cloud-based software company that provides a suite of enterprise software solutions to businesses of all sizes. The company is renowned for its customer relationship management (CRM) software, which helps businesses manage their customer interactions and streamline their operations. Salesforce is also committed to sustainability and has recently launched the Salesforce Net Zero Cloud, a platform that helps businesses reduce their carbon emissions and achieve their sustainability goals. To support this initiative, Salesforce has introduced the Salesforce Net Zero Cloud Accredited Professional Certification Exam.
