#### NEW QUESTION # 129

Northern Trail Outfitters has hired a contractor to help with service calls on an as-needed basis. The contractor should be limited to travel a maximum of 50 minutes from home.

Which action should a consultant recommend?

- A. Check 'Keep These Appointments Scheduled'.
- **B. Include a Match Fields work rule.**
- C. Link rules to Relevance Groups.
- D. Assign a high efficiency score.

**Answer: B**

Explanation:

Match Fields work rules are rules that restrict travel distance between home location and first appointment location for resources[64]. Including a Match Fields work rule would allow limiting contractors to travel a maximum of 50 minutes from home by setting up criteria such as travel distance less than or equal to 50 minutes between home location field and first appointment location field[65]. Linking rules to Relevance Groups would not limit travel distance between home location and first appointment location for resources.

Relevance Groups are groups of rules that apply only to specific types of services such as emergency or preventive maintenance[66]. Assigning a high efficiency score would not limit travel distance between home location and first appointment location for resources. Efficiency score is a metric that measures how well resources use their working hours based on factors
