NEW QUESTION # 37
Which statement is a value from the Agile Manifesto?

- A. Customer collaboration over ongoing internal conversation
- B. Customer collaboration over a constant indefinite pace
- C. Customer collaboration over Feature negotiation
- D. Customer collaboration over contract negotiation

Answer: D

Explanation:
This statement is one of the values from the Agile Manifesto. The Agile Manifesto is a declaration of four values and twelve principles that guide Agile software development. The four values are: individuals and interactions over processes and tools; working software over comprehensive documentation; customer collaboration over contract negotiation; and responding to change over following a plan. Customer collaboration over contract negotiation means that Agile teams value building strong relationships with their customers based on trust, feedback, and shared understanding, rather than relying on rigid contracts that limit flexibility and creativity.
