NEW QUESTION # 135

A company manufactures and distributes sporting goods. The company uses Dynamics 365 Finance and Project Operations.

A user's primary role is managing projects. The user must also have access to trial balances and journal entries.

You need to determine the correct license assignment for this user.

Which two licenses should you assign to the user? Each correct answers presents part of the solution.

NOTE: Each correct selection is worth one point.

- A. Project Operations base
- B. Finance base
- C. Finance attach

- D. Project Operations attach

Answer: B,D

Explanation:

Base licenses and cost savings opportunities for "attach" licenses

Microsoft provides a cost-effective way for a single Dynamics 365 user to obtain full user licensing for multiple products. Licenses for products that provide core business functionality qualify as base licenses. (See the table below.) Each has one or more additional applications that are frequently used by people in the same roles and that qualify as attach licenses for that user. (These are sometimes referred to as subsequent qualifying applications.) To take advantage of the special attach license pricing:

1. Buy the first base user license at standard pricing.
2. Review which attach licenses are available for that base. (See the qualifying products for each base license below.)
3. Buy attach licenses for the same user at an attach license price. You may buy as many attach licenses as are available for that base license.

NEW QUESTION # 136

A company is implementing Dynamics 365 Finance. The company has an adjusted annual revenue to one million U.S. dollars. The company engages with the FastTrack program.

You need to advise on workshop content to aid their implementation.

Which workshop covers each implementation element? To answer, select the appropriate options in the answer area.

NOTE: Each correct selection is worth one point.

Answer:

Explanation:

□

Explanation:

Box 1: Implementation

Implementation workshops provide timely guidance across the functional, technical, and implementation aspects of the solution. This includes:

Data migration strategy

Security model design

Etc.

Box 2: Solution Blueprint Review

The Solution Blueprint Review workshop covers the following topics:

Program strategy

Application strategy

Data strategy

Integration strategy

Test strategy

Business process strategy

Security strategy

* -> Application lifecycle management strategy

Environment and capacity strategy

Intelligence strategy

Note: A Solution Blueprint Review workshop serves as the starting point of Success by Design. It is a mandatory workshop that sets the stage for the FastTrack engagement and provides a baseline to plan other Success by Design activities and workshops. The primary purpose of this workshop is to ensure that the fundamentals for project success are in place and the overall solution design approach is sound and aligned to the product best practices and direction.
