When planning to complete your HCSA-Presales-IP Network certification, make sure you have the correct version:
- HCSA-Presales-IP Network V3.0 is retiring on June 14, 2025;
- HCSA-Presales-IP Network V4.0 has been launched on March 14, 2025.

It is highly recommended to complete the HCSA-Presales-IP Network V4.0 to prove your systematic understanding and mastery of: Huawei Campus network solutions, campus switches, data center switches, WLAN products, SD-WAN products and solutions, NetEngine products and WAN solutions, Network Security products and Hisec solutions, basic business functions, network structure, Huawei basic configuration and deployment of IP products, typical application scenarios, and SCT Guide.

P.S. Free & New H19-301_V4.0 dumps are available on Google Drive shared by BraindumpStudy: https://drive.google.com/open?id=1uJi73Hi-f_p4meWaPKWPCyKPIvern2W2

Learning with our H19-301_V4.0 learning guide is quiet a simple thing, but some problems might emerge during your process of H19-301_V4.0 exam materials or buying. Considering that our customers are from different countries, there is a time difference between us, but we still provide the most thoughtful online after-sale service twenty four hours a day, seven days a week, so just feel free to contact with us through email anywhere at any time. Our commitment of helping you to Pass H19-301_V4.0 Exam will never change. Considerate 24/7 service shows our attitudes, we always consider our candidates' benefits and we guarantee that our H19-301_V4.0 test questions are the most excellent path for you to pass the exam.

To get better condition of life, we all need impeccable credentials of different exams to prove individual's capacity. However, weak H19-301_V4.0 practice materials may descend and impair your ability and flunk you in the real exam unfortunately. And the worst condition is all that work you have paid may go down the drain for those H19-301_V4.0 question torrent lack commitments and resolves to help customers. The practice materials of the exam with low quality may complicate matters of the real practice exam. So, you must know about our H19-301_V4.0 question torrent.

2026 Professional Huawei H19-301_V4.0: Valid HCSA-Presales-IP Network V4.0 Exam Simulator

Our H19-301_V4.0 prep torrent boosts the highest standards of technical accuracy and only use certificated subject matter and experts. We provide the latest and accurate H19-301_V4.0 exam torrent to the client and the questions and the answers we provide are based on the real exam. We can promise to you the passing rate is high and about 98%-100%. Our H19-301_V4.0 Test Braindumps also boosts high hit rate and can stimulate the exam to let you have a good preparation for the H19-301_V4.0 exam. Your success is bound with our H19-301_V4.0 exam questions.

Huawei HCSA-Presales-IP Network V4.0 Sample Questions (Q65-Q70):

NEW QUESTION # 65

In the latest-generation WPA3 encryption standard, the key length is 192 bits, making WPA3 more secure than WPA2.

- A. False
- B. True

Answer: B

Explanation:

WPA3 (Wi-Fi Protected Access 3) is the latest Wi-Fi security standard defined by the Wi-Fi Alliance. It enhances security compared to WPA2 by offering:

Mandatory use of SAE (Simultaneous Authentication of Equals), which replaces the less secure PSK (Pre- Shared Key). Protection against dictionary attacks.

Enhanced encryption methods.

WPA3-Enterprise uses a 192-bit minimum-strength security suite, including 256-bit GCM encryption and 384-bit ECC key

exchange, but the base definition references a minimum of 192-bit equivalent security strength. This significantly enhances the robustness of wireless encryption and aligns with government and enterprise-grade security requirements.

#####

NEW QUESTION # 66

Which of the following statements is false about Huawei WAN solution's capabilities of convergence & wide coverage and high transmission capacity?

- A. Full-rate interfaces ranging from 64 kbps to 400 Gbps
- B. SRv6 + mobile phone-based deployment, enabling one-click provisioning of new services
- C. Wired + wireless coverage in any place and scenario
- D. Full-rate interfaces ranging from 64 kbps to 800 Gbps

Answer: D

Explanation:

Huawei's NetEngine WAN solution offers:

Full interface rate support from 64 kbps (legacy TDM) up to 400 Gbps for ultra-broadband scenarios.

Converged access, including wired and wireless for any application environment.

SRv6 (Segment Routing over IPv6) for simplified configuration and intelligent path computation.

One-click service deployment via mobile phone and cloud-based orchestration through iMaster NCE.

However, 800 Gbps interfaces are not yet part of Huawei's mainstream WAN product line. Thus, option C is inaccurate.

#####

NEW QUESTION # 67

Which of the following products is responsible for centralized management, defense policy configuration, dynamic scheduling of anti-DDoS services, and report display of Huawei's anti-DDoS devices?

- A. DireHunter
- B. Qiankun-OP
- C. HiSec Insight
- D. SecoManager

Answer: D

Explanation:

Huawei SecoManager is the centralized management platform for Huawei security devices, including anti-DDoS appliances. It is used for:

Defense policy configuration

Dynamic scheduling of scrubbing resources

Device management

Report and log visualization for threat analysis

The other options serve different roles:

Qiankun-OP: Huawei's cloud-based SOC platform

HiSec Insight: Used for security situation awareness

DireHunter: Threat hunting and deep analysis tool

NEW QUESTION # 68

What are the three components of Huawei's anti-DDoS solution? (Select all that Apply)

- A. Detection center
- B. Management center
- C. Cleaning center
- D. Maintenance center

Answer: A,B,C

Explanation:

Huawei's anti-DDoS solution consists of three core components:

B: Management Center- Handles centralized policy configuration, resource scheduling, and coordination across devices.

C: Detection Center- Performs real-time traffic analysis, identifies abnormal patterns, and triggers alarms.

D: Cleaning Center- Executes traffic scrubbing to remove malicious packets and forward clean traffic to the intended destination.

A: Maintenance center is not a defined component in Huawei's anti-DDoS architecture.

NEW QUESTION # 69

Huawei's HiSec Endpoint is an intelligent endpoint security system. Which of the following are benefits of this system for customers? (Select all that Apply)

- A. One-click recovery of files encrypted by ransomware to achieve zero data loss
- B. High behavior-based unknown threat detection rate
- C. Kernel-level file anomaly detection and behavior baseline self-learning
- D. High detection rate of threats such as viruses and cryptojacking

Answer: A,B,C,D

Explanation:

Huawei's HiSec Endpoint system provides comprehensive endpoint protection with the following customer benefits:

A: One-click recovery: Enables immediate recovery of files encrypted by ransomware, minimizing damage and achieving zero data loss.

B: High detection rate: Strong performance against viruses, ransomware, and cryptojacking.

C: Kernel-level file anomaly detection: Monitors file changes at the OS kernel level and builds behavior baselines for anomaly detection.

D: Behavior-based unknown threat detection: Uses AI and machine learning for behavioral anomaly detection and unknown threat prevention.

Thus, all options are correct.

NEW QUESTION # 70

.....

With the arrival of a new year, most of you are eager to embark on a brand-new road for success (H19-301_V4.0 test prep). Now since you have made up your mind to embrace an utterly different future, you need to take immediate actions. Using H19-301_V4.0 practice materials, from my perspective, our free demo is possessed with high quality which is second to none. This is no exaggeration at all. Just as what have been reflected in the statistics, the pass rate for those who have chosen our H19-301_V4.0 Exam Guide is as high as 99%, which in turn serves as the proof for the high quality of our practice torrent.
