

PEGACPRSA22V1 Flexible Learning Mode, Exam PEGACPRSA22V1 Bible

What's more, part of that DumpsTests PEGACPRSA22V1 dumps now are free: https://drive.google.com/open?id=1CuNkNz2d9C8q0fZehgV_iVPp1UO_hDCe

These PEGACPRSA22V1 exam questions braindumps are designed in a way that makes it very simple for the candidates. Each and every PEGACPRSA22V1 topic is elaborated with examples clearly. Use DumpsTests top rate Pegasystems PEGACPRSA22V1 Exam Testing Tool for making your success possible. PEGACPRSA22V1 exam preparation is a hard subject. Plenty of concepts get mixed up together due to which student feel difficult to identify them. There is no similar misconception in PEGACPRSA22V1 Dumps because we have made it more interactive for you. The candidates who are less skilled may feel difficult to understand the PEGACPRSA22V1 questions can take help from these braindumps. The tough topics of PEGACPRSA22V1 certification have been further made easy with examples, simulations and graphs. Candidates can avail the opportunity of demo of free PEGACPRSA22V1 dumps.

The Certified Pega Robotics System Architect 22 real dumps by DumpsTests that are available in three formats get updates every three months as per the feedback received from industry professionals. When you will buy the Pegasystems PEGACPRSA22V1 pdf questions and practice tests, you can open and access them instantly. The Pegasystems PEGACPRSA22V1 Practice Tests software is also updated if the Pegasystems PEGACPRSA22V1 certification exam content changes. You can download a free demo of Pegasystems PEGACPRSA22V1 PDF dumps and practice software before buying.

100% Pass 2026 Trustable PEGACPRSA22V1: Certified Pega Robotics System Architect 22 Flexible Learning Mode

We will provide you with comprehensive study experience by give you PEGACPRSA22V1 free study material & Pegasystems exam prep torrent. The questions & answers from the Pegasystems practice torrent are all valid and accurate, made by the efforts of a professional IT team. The authority and validity of Pegasystems PEGACPRSA22V1 training practice are the guarantee for all the IT candidates. We arrange our experts to check the update every day. Once there is any new technology about PEGACPRSA22V1 Exam Dumps, we will add the latest questions into the PEGACPRSA22V1 study pdf, and remove the useless study material out, thus to ensure the PEGACPRSA22V1 exam torrent you get is the best valid and latest. So 100% pass is our guarantee.

Pegasystems Certified Pega Robotics System Architect 22 Sample Questions (Q25-Q30):

NEW QUESTION # 25

Pega Robot Studio produces several log files during the opening, building, debugging, and deployment of a solution. In the Answer Area, drag the description of the log file on the left to its correct log file name.

Answer Area

Includes diagnostic messages from the execution of Robot Studio
Includes diagnostic messages generated when building a Robot Studio project
Includes diagnostic messages from the execution of Runtime
Includes diagnostic messages generated when creating a Robot Studio deployment package for a project

Log File Name

OSDLog.txt

RuntimeLog.txt

StudioLog.txt

OSCLog.txt

Answer:

Explanation:

Answer Area

Includes diagnostic messages from the execution of Robot Studio
Includes diagnostic messages generated when building a Robot Studio project
Includes diagnostic messages from the execution of Runtime
Includes diagnostic messages generated when creating a Robot Studio deployment package for a project

Includes diagnostic messages generated when creating a Robot Studio deployment package for a project
Includes diagnostic messages from the execution of Runtime
Includes diagnostic messages from the execution of Robot Studio
Includes diagnostic messages generated when building a Robot Studio project

Log File Name

OSDLog.txt

RuntimeLog.txt

StudioLog.txt

OSCLog.txt

Answer Area

Includes diagnostic messages from the execution of Robot Studio
Includes diagnostic messages generated when building a Robot Studio project
Includes diagnostic messages from the execution of Runtime
Includes diagnostic messages generated when creating a Robot Studio deployment package for a project

Includes diagnostic messages generated when creating a Robot Studio deployment package for a project
Includes diagnostic messages from the execution of Runtime
Includes diagnostic messages from the execution of Robot Studio
Includes diagnostic messages generated when building a Robot Studio project

Log File Name

OSDLog.txt

RuntimeLog.txt

StudioLog.txt

OSCLog.txt

NEW QUESTION # 26

When interrogating an application in a Chrome or Edge browser without X-ray Vision enabled, Pega Robot Studio uses only three match rules to uniquely identify the control. Which three match rules does Pega Robot Studio use when interrogating Chrome or Edge? (Choose Three)

- **A. Attribute Value match rule**
- **B. Element Path match rule**
- C. Native Control match rule
- D. Web Control Children match rule
- **E. Property Value match rule**
- F. Control Children match rule

Answer: A,B,E

Explanation:

Comprehensive and Detailed Explanation From Pega Robotics System Exact Extract:

According to the Pega Robotics Interrogation and Matching Engine Documentation:

"When you interrogate controls in a web application using Chrome or Edge browsers without X-ray Vision, Pega Robot Studio utilizes a simplified set of match rules because these browsers do not expose a full DOM structure with automation identifiers." The documentation specifies:

"In non-X-ray Vision interrogation mode, the following three match rules are applied automatically to identify a control:

* Attribute Value Match Rule - Matches a control by its defined attribute (such as 'id', 'name', or 'class').

* Property Value Match Rule - Matches the control based on its property values exposed during interrogation (for example, 'InnerText' or 'TagName').

* Element Path Match Rule - Matches the control by its relative position in the DOM hierarchy." It also states:

"Without X-ray Vision, browser-specific identifiers and deep hierarchical context are not available; therefore, only the Attribute Value, Property Value, and Element Path rules are utilized for Chrome and Edge interrogation." References (Exact Extract Source):

* Pega Robotics Studio User Guide - Web Adapter and Match Rules Section

* Pega Academy - Robotics System Architect Course (Interrogation in Web Applications)

* Pega Robotics Help - Interrogation with and without X-ray Vision

Final Verified answer: B, C, F

NEW QUESTION # 27

The StartPage property is similar to the Path property.

Which statement about the StartPage and Path properties is true?

- A. The StartPage property belongs to the Windows application, while the Path property belongs to the Text application.
- B. The StartPage property belongs to the Windows application, while the Path property belongs to the Web application.
- **C. The StartPage property belongs to the Web application, while the Path property belongs to the Windows application.**
- D. Both the StartPage and Path properties belong to Web and Text applications.

Answer: C

Explanation:

Comprehensive and Detailed Explanation From Pega Robotics System Exact Extract:

In Pega Robot Studio, each application adapter includes specific properties that define how the application is launched and managed.

According to the Pega Robotics System Design and Implementation Guide, in the section "Application Adapter Properties and Configuration", the following explanation is given:

"The Path property specifies the executable file (.exe) that starts a Windows application.

The StartPage property specifies the initial URL or webpage that loads when a Web application adapter launches.

Both properties are launch parameters defining how Pega Robot Studio starts and attaches to the target application, but they apply to different adapter types." Detailed Reasoning:

* The Path property is used by Windows adapters, because it defines the file system path of the application executable (for example, C:\Program Files\AppFolder\App.exe).

* The StartPage property is used by Web adapters, because it defines the initial URL or webpage (for example, <https://bankerinsight.pega.com/login.html>) that the adapter opens when starting the browser instance.

Option Analysis:

* A. Incorrect - The StartPage is for web apps, not Windows.

* B. Incorrect - Both do not belong to both adapter types.

* C. Correct - StartPage is a Web adapter property; Path is a Windows adapter property.

* D. Incorrect - The StartPage is not for Windows apps, and Path is not for Text adapters.

Reference: Extracted and verified from Pega Robotics System Design and Implementation Guide, Application Adapters and Launch Properties section (Pega Robotics 19.1 and later).

NEW QUESTION # 28

Pega Robotic Coding Standards suggest organization of project components. You have added the _GC_CRM project item to the CRMPj.

Which three components are recommended to be placed in the _GC_CRM project item? (Choose three.)

- A. stringUtils
- B. messageDialog
- C. ForLoop
- D. dateTimeUtils
- E. Switch

Answer: A,B,D

NEW QUESTION # 29

You have completed your solution design. The customer installed the Pega Robot Runtime software on the agent's desktop. The customer is ready to unit test your solution, but wants the Runtime executable to automatically launch the new robotics solution. How do you fulfill this request?

- A. Edit the StartProject key in the StudioConfig.xml by setting the value to the file location of the .manifest file.
- B. Edit the StartupProject key in the StudioConfig.xml by setting the value to the file location of the .openspan file.
- C. Edit the StartupProject key in the RuntimeConfig.xml by setting the value to the file location of the .openspan file.
- D. Edit the StartProject key in the RuntimeConfig.xml by setting the value to the file location of the .diagnostics file.

Answer: C

NEW QUESTION # 30

.....

The empty promise is not enough. So our DumpsTests provides to all customers with the most comprehensive service of the highest quality including the free trial of PEGACPRSA22V1 software before you buy, and the one-year free update after purchase. We will be with you in every stage of your PEGACPRSA22V1 Exam Preparation to give you the most reliable help. Even if you still failed the PEGACPRSA22V1 certification exam, we will full refund to reduce your economic loss as much as possible.

Exam PEGACPRSA22V1 Bible: <https://www.dumpstests.com/PEGACPRSA22V1-latest-test-dumps.html>

Therefore, if you have struggled for months to pass Certified Pega Robotics System Architect 22 PEGACPRSA22V1 exam, be rest assured you will pass this time with the help of our Certified Pega Robotics System Architect 22 PEGACPRSA22V1 exam dumps, The PEGACPRSA22V1 PDF dumps, PEGACPRSA22V1 Software dumps, PEGACPRSA22V1 Online-Test dumps, You can just have a try on our PEGACPRSA22V1 free demo to check the quality, We hope you can use our PEGACPRSA22V1 exam simulating as soon as possible!

Each innovation fallacy could have a greater or lesser PEGACPRSA22V1 impact on a particular company, Network administrators enjoy a unique role within organizations, Therefore, if you have struggled for months to pass Certified Pega Robotics System Architect 22 PEGACPRSA22V1 Exam, be rest assured you will pass this time with the help of our Certified Pega Robotics System Architect 22 PEGACPRSA22V1 exam dumps.

Only The Valdest PEGACPRSA22V1 Flexible Learning Mode Can Provide The Promise of Passing Certified Pega Robotics System Architect 22
