NEW QUESTION # 42

What role provides facilitated workshops to promote consistent project management practice?

- A. Head of Project
- B. Secretariat/administrator
- C. Project Officer
- **D. Project Specialist**

Answer: D

Explanation:

The Project Specialist role provides facilitated workshops to promote consistent project management practice, according to the P3O Foundation (2013) manual. Section 3.5.6 states, "The Project Specialist facilitates workshops to ensure consistent application of project management practices and standards across the organization." This differs from the Project Officer (B), who supports execution, Head of Project (C), who oversees projects, and Secretariat (D), who provides administrative support. The 2013 edition emphasizes the Specialist's training and facilitation role, enhancing PPM maturity. This ensures standardized practices are adopted effectively.

NEW QUESTION # 43

Which P3O model features a single permanent office providing strategic planning and portfolio support?

- A. Virtual Office
- B. P3O model with Hub Portfolio Offices
- C. Flexible resource pool
- **D. Organization Portfolio Office**

Answer: D

Explanation:

The Organization Portfolio Office (OPO) is a single permanent office designed to provide strategic planning and portfolio support, as per the P3O Foundation (2013) manual. Section 5.3.2 states, "The Organization Portfolio Office is a centralized, permanent entity that delivers strategic planning, portfolio prioritization, and oversight across the organization." This contrasts with Hub Portfolio Offices (A), which are decentralized with local support, Virtual Offices (C), which are temporary and flexible, and Flexible Resource Pools (D), which focus on resource allocation rather than strategic functions. The 2013 edition highlights the OPO's role in aligning the entire change portfolio with organizational strategy, making it the correct model for this purpose. This centralized approach ensures consistent governance and decision-making.

- **D. Support PPM tools**

- C. Using programme and project management forums
- D. By documenting business process swimlanes

Section 6.2.2 states, "The P3O delivers an information portal to the PPM community through an intranet site, providing access to templates, guidance, and best practices." This differs from process swimlanes (B), forums (C), or capacity planning (D), which serve other purposes. The

NEW QUESTION # 46

What does a P3O provide to support the principle 'govern effectively'?

- A. Coaching and training to P3O roles
- B. Independent gated review coordination and assurance
- C. A fast track mobilization service to programmes and projects
- D. A benefits tracking service to business owners

Answer: B

Explanation:

To support the 'govern effectively' principle, a P3O provides independent gated review coordination and assurance, as per the P3O Foundation (2013) manual. Section 7.3.2 notes, "P3O supports effective governance through independent gated reviews and assurance processes to ensure compliance and quality across change initiatives." This involves objective oversight, unlike coaching/training (A), benefits tracking (C), or fast-track mobilization (D), which serve different purposes (e.g., capacity building or delivery support). The 2013 edition underscores this assurance role as critical for maintaining governance standards, enabling senior management to monitor progress and mitigate risks. This aligns with the P3O's function of providing a robust control framework, ensuring strategic alignment and accountability throughout the change lifecycle.
