## Virginia Insurance Virginia Life, Annuities, and Health Insurance Examination Series 11-01 認定 Virginia-Life-Annuities-and-Health-Insurance 試験問題 (Q154-Q159):

### 質問 # 154

Under an absolute assignment, a life insurance policyowner transfers:

- A. Ownership rights as collateral for a loan
- **B. All policy ownership rights to a new owner**
- C. The requirement to pay premiums to a third party
- D. Limited policy rights to another party

正解: B

解説:

Detailed Answer in Step-by-Step Solution:

\* An absolute assignment transfers all ownership rights (C) of a life insurance policy to a new owner, relinquishing the original owner's control.

\* Option A (limited rights) is a partial assignment. Option B (premium payment) is not ownership.

Option D (collateral) is a collateral assignment, not absolute.

The Virginia study guide defines absolute assignment as the complete transfer of all policy rights to a new owner, distinct from collateral assignments for loans. Reference: Virginia Life, Annuities, and Health Insurance study guide, section on "Policy Assignments."

### 質問 # 155

When delivering a life insurance policy, an agent's responsibilities may include all of the following EXCEPT:

- A. Collecting the premium payment
- **B. Cashing the insured's premium check**
- C. Explaining a non-standard rating
- D. Reviewing policy riders

正解: B

解説:

Agents may collect premiums but cannot personally cash or deposit checks as if they were funds of their own. Exact extract: "Agents must forward funds promptly to insurers and may not treat premiums as personal assets." Reference:

### 質問 # 156

Which type of health insurance helps to pay for the cost of care in cases where hospitalization is not required but the individuals are unable to care for themselves?

- A. Medicare
- **B. Long-term care**
- C. Major medical

- D. Disability income

正解: B

解説:

Detailed Answer in Step-by-Step Solution:

- \* Long-term care insurance (B) is designed to cover custodial care (e.g., help with daily activities like bathing or dressing) when individuals cannot care for themselves, often outside a hospital setting.
- \* Medicare (A) provides limited long-term care coverage (e.g., skilled nursing for a short period), not comprehensive custodial care.
- \* Major medical (C) covers hospital and medical expenses, not long-term custodial care.
- \* Disability income (D) replaces lost income, not care costs.

The Virginia study guide defines long-term care insurance as coverage for extended care needs, such as in nursing homes or at home, when individuals cannot perform activities of daily living, distinguishing it from Medicare or major medical plans. Reference: Virginia Life, Annuities, and Health Insurance study guide, section on "Types of Health Insurance."

#### 質問 # 157

A life insurance agent is normally responsible for all of the following EXCEPT:

- A. Approving policies for issue on behalf of the insurer
- B. Delivering newly issued policies to applicants
- C. Collecting the initial premium from the applicant
- D. Notifying the company if a new policy will replace an existing policy

正解: A

解説:

In Virginia, the responsibilities of a licensed life insurance agent (also called a producer) are clearly distinguished from those of the insurance company.

Delivery of policies: The agent must deliver newly issued policies to the applicant. Virginia regulations require that, upon policy delivery, the agent must also provide required disclosures and obtain any necessary signed statements (such as delivery receipts).

Replacement notification: If an agent is aware that a new policy will replace an existing one, the agent must notify the insurance company and comply with Virginia's replacement regulations, which include providing written notices and ensuring that applicants are fully informed.

Collection of premiums: An agent is authorized to collect the initial premium from the applicant at the time of application or upon delivery of the policy, provided the insurer allows such practice.

However, approving policies for issue is not within the authority of an agent. Only the insurer has the legal authority to underwrite and approve policies for issue. Agents are producers and representatives of the insurer, but they do not possess underwriting authority to approve or reject applications.

This distinction is reinforced by the Virginia Bureau of Insurance regulations, which specify that the insurer is responsible for policy issuance and underwriting decisions, while agents are responsible for solicitation, policy delivery, disclosure, and premium collection.

Reference (Virginia official documents and study materials):

Code of Virginia § 38.2-1825 (Agent's authority and responsibilities)

Code of Virginia § 38.2-1834 (Duties in policy replacement - notice requirements) Virginia Administrative Code 14VAC5-200-110 (Replacement regulations and disclosure duties) Virginia Life, Annuities & Health Insurance Study Guide - Producer responsibilities section

#### 質問 # 158

Generally, an indemnity plan which covers dental expenses:

- A. Covers all dependent family members living in the insured's household, including dependent parents
- B. Rarely requires an insured to pay a deductible or coinsurance portion for major services such as crowns
- C. Only allows insureds to be treated by certain preselected providers
- D. Covers preventive care for adults and children once every six months

正解: D

解説:

Dental indemnity plans reimburse insureds for covered services up to specified amounts. Preventive services such as cleanings, exams, and fluoride treatments are typically covered every six months for both adults and children. These plans generally do not limit

members to a network of providers, unlike managed care dental plans, but they do require deductibles and cost-sharing for major restorative work.

Exact Extract (Virginia Dental Plan Filing Requirements): "Preventive dental services-cleanings, exams, fluoride treatments-covered once every six months." Reference (Virginia Documents / Study Guide):

- Virginia SCC Product Checklist: Individual Stand-Alone Dental Plan Organizations
- Virginia Health Insurance Study Guide, Indemnity vs. Managed Care Plans
