H19-341_V1.0 Exam Braindumps Materials are the Most Excellent Path for You to pass H19-341_V1.0 Exam - DumpsValid

The DumpsValid is committed to making the entire H19-341_V1.0 exam preparation journey simple, smart, and successful. To achieve this objective the DumpsValid is offering the top-rated and updated H19-341_V1.0 exam practice test questions in three different formats. All these three DumpsValid H19-341_V1.0 Exam Questions formats contain the real, valid, and error-free HCSA-Field-Intelligent Collaboration V1.0 (H19-341_V1.0) exam practice test questions that are ideal study material for quick Huawei H19-341_V1.0 exam preparation.

Huawei HCSA-Field-Intelligent Collaboration V1.0 Sample Questions (Q13-Q18):

NEW QUESTION # 13

Which of the following operating systems does Huawei CloudLink soft clients support? (Select all that apply)

- A. Android
- B. Windows

- C. HarmonyOS
- D. iOS

Answer: A,B,C,D

Explanation:

Huawei CloudLink soft clients (such as CloudLink Desktop and CloudLink Mobile) are designed for "Anywhere Office" collaboration. They provide a consistent user experience across the following platforms:

- * Windows (A): For desktop and laptop PCs.
- * HarmonyOS (B): Fully optimized for Huawei's ecosystem of smartphones and tablets.
- * iOS (C): For Apple iPhones and iPads.
- * Android (D): For the wide variety of Android-based mobile devices.

Additionally, macOS is also supported, though not listed in the options provided. This cross-platform support ensures that users can join meetings regardless of their device hardware.

NEW QUESTION # 14

Huawei Ideahub Board 2 switchover OS between Android and Windows, requires OPS insertion and removal.

- A. FALSE
- B. TRUE

Answer: A

Explanation:

The IdeaHub Board 2 supports a "Dual-OS" architecture. While a physical OPS (Open Pluggable Specification) module must be inserted into the slot to enable Windows 10/11 functionality, the act of switching between the built-in Android OS and the Windows OS is a seamless software operation. Users can switch between operating systems with a single tap on the UI (usually via a floating menu or a "Windows" icon on the home screen). There is no need to physically remove or re-insert the hardware module to change the active environment.

NEW QUESTION # 15

Which of the following noises can be suppressed by the intelligent noise reduction algorithm of Huawei Box terminals? (Select all that apply)

- A. Coughing sounds
- B. Teacup crashing
- C. Keyboard sound
- D. High-heeled heels
- E. Speaking voice

Answer: A,B,C,D

Explanation:

Huawei's Intelligent Noise Reduction (AI Noise Cancellation) technology is built on deep learning models trained on millions of hours of audio data. Its primary goal is to distinguish between human speech and non-human background noise.

* Suppressed Noises: The algorithm identifies and filters out over 30 types of common office noises, including keyboard typing (E), coughing (A), shuffling of papers, teacup or pen clatter (B), and the clacking of high-heeled shoes (D).

* Preserved Sound: The Speaking voice (C) is specifically identified as the target signal. The AI ensures that while background "garbage" is removed, the human voice remains natural, clear, and undistorted.

NEW QUESTION # 16

Which AI algorithms does Huawei IdeaHub S2 support to improve voice quality? (Select All that can apply)

- A. AGC
- B. AEC
- C. ANS
- D. DNN
- E. ADC

Answer: A,B,C,D

Explanation:

The IdeaHub S2 utilizes a suite of intelligent audio processing algorithms to ensure clear communication:

- * AEC (Acoustic Echo Cancellation): Eliminates the feedback of audio from the speakers into the microphones.
 - * AGC (Automatic Gain Control): Automatically adjusts the volume of the speaker's voice to a consistent level, regardless of their distance from the device.
 - * ANS (Automatic Noise Suppression): Uses AI to identify and filter out background noises like fans, air conditioners, or typing.
 - * DNN (Deep Neural Network): Specifically used for AI de-reverberation, allowing the system to remove echoic room reflections and make the speaker's voice sound as if they are in a professional studio environment.
- ADC (Analog-to-Digital Converter) (D) is a standard hardware component used to convert electrical signals into data, but it is not an AI algorithm.

NEW QUESTION # 17

In Huawei digital classroom solution, the features of the digital blackboards including: (Select All that can apply)

- A. Teachers and students cannot save blackboard content effortlessly by scanning a QR code.
- **B. HUAWEI IdeaHub Board 2 can be seamlessly connected to the digital blackboards.**
- **C. Teachers can write on the digital blackboard as easily as they would on a traditional blackboard.**
- **D. Teachers and students can save blackboard content effortlessly by scanning a QR code.**

Answer: B,C,D

Explanation:

The Huawei Digital Blackboard is a companion device to the IdeaHub Board 2, designed to bridge traditional teaching habits with digital efficiency:

- * Traditional Writing (A): It supports writing with traditional chalk or liquid pens, allowing teachers to maintain their existing teaching style.
- * Content Saving (B): Through "Scan-to-Take," the handwritten content on the blackboard can be digitized and shared. Users simply scan a QR code displayed on the screen to save the notes to their mobile devices.
- * Seamless Integration (D): The digital blackboard is specifically engineered to pair with the IdeaHub Board 2, allowing for synchronized erasing and content mirroring between the analog writing surface and the digital display.
- * Option C is incorrect because it is the direct opposite of a core feature of the solution.

NEW QUESTION # 18

.....

When it comes to buying something online (for example, H19-341_V1.0 exam torrent), people who are concerned with privacy protection are often concerned about their personal information during the purchase process. However, we ensure that we have provided you with an appropriate procurement process and the personal information of customer who using our H19-341_V1.0 test prep will be securely protected. In order to ensure the security of client information, our company hired many experts to design a secure procurement process for our H19-341_V1.0 Test Prep. If you decide to purchase our H19-341_V1.0 quiz guide, you can download the app of our products with no worry. Our H19-341_V1.0 exam torrent is absolutely safe and virus-free.
