- **A. Revenue and corresponding expenses**
- B. Capitalized expenses and Liabilities
- C. Revenue and Income statement
- D. Income statement and Long-term contracts

* Analysis of Incorrect Options:

* B. Revenue and Income statement - The income statement is a report, not an item to be matched.

* C. Income statement and Long-term contracts - Long-term contracts follow special rules (percentage of completion, completed contract), not the general matching principle.

* D. Capitalized expenses and Liabilities - Not part of the matching principle.

* Key Concept: Matching Principle - recording related revenues and expenses in the same period.
