Valid HCL-HWA-ADM-102 Exam Tips - Reliable HCL-HWA-ADM-102 Test Review

Don't let the HCL-HWA-ADM-102 exam stress you out! Prepare with HCLSoftware HCL-HWA-ADM-102 exam dumps and

boost your confidence in the real HCLSoftware HCL-HWA-ADM-102 exam. We ensure your road towards success without any mark of failure. Time is of the essence - don't wait to ace your HCLSoftware HCL-HWA-ADM-102 Certification Exam!

HCLSoftware Certified Administrator- HWA 10.2 Sample Questions (Q94-Q99):

NEW QUESTION # 94

HCL HWA 10.2 production cycle CP=24h02m blocked by batchman NetReq.msg exhaustion during 9200-job symreq across 200 FTAs. Jobman fault-tolerant. What dynamic capacity prevents critical path failure?

- A. planman extend 48h /NETWORK
- B. conman "limitsymreq 4000"; batch workload
- C. netman process priority increase
- D. localopts T(netmanPoll)=2; evtsize NetReq.msg 150M

Answer: D

Explanation:

localopts T(netmanPoll)=2 accelerates NetReq.msg processing; evtsize NetReq.msg 150M provides capacity for 9200-job symreq preventing CP=24h02m failure; preserves fault-tolerant jobman versus workload batching disrupting production cycle throughput.

NEW QUESTION # 95

planman unlock is crucial when?

- A. Daily maintenance
- B. Only on backups
- C. For agent resets
- D. After interrupted planman/JnextPlan leaving database locks
- E. Before event deployment

Answer: D

Explanation:

Clears locks from failed plan management, preventing subsequent hangs.

NEW QUESTION # 96

To manage dynamic scheduling in HCL Workload Automation 10.2, which workstation types support job types with advanced options and runtime resource affinity selection?

(Select three)

- A. Dynamic agents
- B. Fault-tolerant agents
- C. Z-centric agents
- D. Static pools
- E. Dynamic pools

Answer: A,E

Explanation:

Dynamic agents provide individual dynamic capability for advanced job types and resource matching. Dynamic pools aggregate multiple dynamic agents for loadbalanced dynamic allocation. Static pools lack the dynamic workload broker integration required for runtime affinity.

NEW QUESTION # 97

HCL HWA 10.2 FTA workstation reset after ransomware attack corrupts TWS_home/msg/*.msg but TWS/registry intact; 800 jobs running via jobman semaphores. DWC shows mixed "Running"/"Unknown". What architecture reset rebuilds message files preserving job continuity?

- A. Full TWS_home reinstall; jobman queue migration
- B. evtsize all 50M; conman "flushq wsname"
- C. conman "resetws wsname --preserve-jobs"; netman recycle
- D. conman "stop wsname#batchman"; rm -rf msg/*.*msg; startup wsname#batchman

Answer: D

Explanation:

Workstation architecture recovery leverages intact TWS/registry after msg corruption; selective batchman stop, rm msg/*.*msg rebuilds all 11 message files (Courier.msg, PlanBox.msg, NetReq.msg etc.) from registry while jobman semaphores preserve 800 running jobs. startup wsname#batchman cascades full workstation recovery maintaining fault-tolerant continuity.

NEW QUESTION # 98

Scenario: In HCL Workload Automation 10.2, you need to create a new domain named "EUROPE" with a domain manager workstation "DM_EU" already defined in the database as a fault-tolerant agent. Which composer commands are required to add the domain correctly while ensuring proper parent domain linkage? (Select two)

- A. replace domain EUROPE
- B. add domain EUROPE parent=MASTERDM
- C. add domains EUROPE
- D. add domain EUROPE manager=DM_EU
- E. modify cpu=DM_EU domain=EUROPE

Answer: B,D

Explanation:

add domain EUROPE parent=MASTERDM defines the new domain with the master domain as parent for hierarchical structure. add domain EUROPE manager=DM_EU assigns the existing fault-tolerant agent workstation as the domain manager responsible for managing agents within the new domain.

NEW QUESTION # 99

.....

From the VCE4Dumps platform, you will get the perfect match HCL-HWA-ADM-102 actual test for study. HCL-HWA-ADM-102 practice download pdf are researched and produced by Professional Certification Experts who are constantly using industry experience to produce precise, and logical HCLSoftware training material. HCL-HWA-ADM-102 Study Material is constantly beginning revised and updated for relevance and accuracy. You will pass your real test with our accurate HCL-HWA-ADM-102 practice questions and answers.
