NEW QUESTION # 42

You are evaluating whether to use a basic workspace or an enterprise workspace in Azure Machine Learning.

What are two tasks that require an enterprise workspace? Each correct answer presents a complete solution.

NOTE: Each correct selection is worth one point.

- A. Use a graphical user interface (GUI) to define and run machine learning experiments from Azure Machine Learning designer.
- B. Use a graphical user interface (GUI) to run automated machine learning experiments.
- C. Create a compute instance to use as a workstation.
- D. Create a dataset from a comma-separated value (CSV) file.

Answer: A,B

Explanation:

Note: Enterprise workspaces are no longer available as of September 2020. The basic workspace now has all the functionality of the enterprise workspace.
