## **Latest P3O-Foundation Braindumps Pdf | P3O-Foundation Training Tools**

The P3O-Foundation study materials from our company are compiled by a lot of excellent experts and professors in the field. In order to help all customers pass the exam in a short time, these excellent experts and professors tried their best to design the study

version, which is very convenient for a lot of people who are preparing for the P3O-Foundation Exam. You can find all the study materials about the exam by the study version from our company.

## **PRINCE2 P3O Foundation Project Office 2013 Exam Sample Questions (Q23-Q28):**

### **NEW QUESTION # 23**

Which is needed when getting the investment for a P3O?

- A. Provision of secretariat services
- **B. Recognition of the need for change**
- C. Independence of assurance services
- D. Defined portfolio of change

**Answer: B**

Explanation:

The P3O Foundation (2013) manual indicates that recognition of the need for change is essential for securing P3O investment. Section 4.2.2 states, "Investment in a P3O requires recognition of the need for change to justify the business case and gain senior management support." This differs from assurance independence (A), portfolio definition (B), or secretariat services (C), which are operational aspects. The 2013 edition emphasizes this recognition as the foundation for funding approval, ensuring strategic alignment. This drives organizational commitment to the P3O model.

Reference: P3O Foundation (2013) manual, Section 4.2.2, AXELOS.

### **NEW QUESTION # 24**

Who, as a minimum, should review the resourcing of a Programme Office whilst it is running?

- A. P3O Sponsor and Portfolio Analyst
- **B. Head of Programme Office and Programme Manager of the relevant programme**
- C. Head of COE and Programme Specialist
- D. Head of P3O and P3O Sponsor

**Answer: B**

Explanation:

The minimum review of a Programme Office's resourcing during operation involves the Head of Programme Office and the relevant Programme Manager, according to the P3O Foundation (2013) manual. Section 3.5.4 states, "The Head of Programme Office, in collaboration with the Programme Manager, is responsible for reviewing and adjusting resource allocation during the programme lifecycle." This ensures operational oversight and alignment with programme needs. Involving the Head of P3O and Sponsor (A), P3O Sponsor and Portfolio Analyst (C), or Head of COE and Programme Specialist (D) exceeds the minimum requirement, as their roles are more strategic or supportive. The 2013 guidance emphasizes this direct accountability to maintain efficiency and responsiveness in resource management.

Reference: P3O Foundation (2013) manual, Section 3.5.4, AXELOS.

### **NEW QUESTION # 25**

Which of the following statements about the return of internal resources to an operational role when closing a temporary Programme Office are true?

1. Feedback to the line manager should be given on performance
2. Staff members will be reluctant to return if they are to lose status

- A. Only 1 is true
- B. Neither 1 or 2 is true
- C. Only 2 is true
- **D. Both 1 and 2 are true**

**Answer: D**

Explanation:

The P3O Foundation (2013) manual confirms both statements are true regarding resource return from a temporary Programme

Office. Section 4.4.4 states, "Feedback on performance should be provided to line managers to support staff development," and "Staff may be reluctant to return if they perceive a loss of status or responsibility." The 2013 edition acknowledges these human resource dynamics, emphasizing the need for performance feedback to aid reintegration and recognizing status loss as a barrier. Options A, B, and D are incorrect as both factors are relevant, ensuring smooth transition and morale management during closure. Reference: P3O Foundation (2013) manual, Section 4.4.4, AXELOS.

#### NEW QUESTION # 26

Which is a delivery support function?

- A. Develop standard processes for producing Business Cases
- B. Train and coach PPM staff
- C. Report portfolio performance through management dashboards
- D. Provide a flexible resource pool

**Answer: C**

Explanation:

The P3O Foundation (2013) manual identifies reporting portfolio performance through management dashboards as a delivery support function. Section 7.2.1 states, "Delivery support functions include reporting portfolio performance using management dashboards to provide real-time insights to stakeholders." This differs from training (B), resource provision (C), or process development (D), which are capacity or strategic functions. The 2013 edition emphasizes this reporting role to support ongoing project and programme delivery, ensuring visibility and control. This enhances operational effectiveness.

Reference: P3O Foundation (2013) manual, Section 7.2.1, AXELOS.

#### NEW QUESTION # 27

Which is a section of the Blueprint?

- A. Processes (including operational costs and performance levels)
- B. Business process swimlanes
- C. Information portal
- D. Vision Statement

**Answer: D**

Explanation:

The P3O Foundation (2013) manual identifies the Vision Statement as a section of the Blueprint. Section 4.3.3 states, "The Blueprint includes a Vision Statement that outlines the desired future state of the P3O model, guiding its development and implementation." This differs from business process swimlanes (A), which are tools, information portals (B), which are delivery mechanisms, and processes (D), which are detailed operational elements. The 2013 edition emphasizes the Vision Statement's role in setting strategic direction within the Blueprint, a key implementation document. This ensures alignment with organizational goals throughout the P3O lifecycle.

Reference: P3O Foundation (2013) manual, Section 4.3.3, AXELOS.

#### NEW QUESTION # 28

.....

The internet is transforming society, and distance is no longer an obstacle.
