### NEW QUESTION # 59

A sales manager must be able to approve sales quote proposals by email and from their mobile devices. What do you implement this requirement?

- A. Add an Approve/Reject step and a Send Email step.
- B. Add an Approve/Reject step with mobile approval enabled and add a Send Email step.
- **C. Add an Approve/Reject step and enable approval from email and mobile.**
- D. Add an Approve/Reject step and enable email notifications on the case type.

**Answer: C**

Explanation:

To allow a sales manager to approve sales quote proposals by email and from mobile devices, you should add an Approve/Reject step in the case life cycle and enable the approval from email and mobile options. This configuration ensures that the manager can approve or reject the proposals conveniently through email notifications and mobile devices, without needing to access the Pega application directly.

Reference: Pega Academy - Configuring approvals: Enabling approval from email and mobile devices allows users to respond to approval requests directly from email notifications and mobile applications, providing flexibility and efficiency in case management.
