- B. Set temporary business hours for each time zone.
- C. Adjust the current business hours to accommodate the Eastern Time Zone.
- D. Allow the reps to set business hours manually.

Answer: A

Explanation:

Explanation

Business hours are used to specify the days and hours when your company's employees work. You can create multiple sets of business hours for different time zones or regions and assign them to users based on their location or function. To meet the requirement of having different business hours for reps on pacific time and eastern time, you need to create one set of business hours per time zone and assign them accordingly.
