How does SAFe describe Customer Centricity?

- A. As a mindset focused on Customer behaviors that produce the best innovations
- B. As a set of practices employed to make products focused on the Customer
- C. As a way of working to include the Customer in daily work processes and planning
- D. As a strategy to meet the needs of an ever-changing Customer market

Answer: A

Explanation:
Explanation
This is how SAFe describes Customer Centricity. Customer Centricity is one of the core competencies of business agility in SAFe. Customer Centricity means putting the customer at the center of everything the enterprise does, and understanding their needs,

desires, and problems deeply. Customer Centricity also means adopting a mindset that focuses on observing and learning from customer behaviors that produce the best innovations, rather thanrelying on assumptions or opinions. Customer Centricity helps enterprises deliver solutions that delight their customers and achieve market differentiation. References: Customer Centricity
