Peoplecert MSP Practitioner, 5th edition Exam Sample Questions (Q34-Q39):

NEW QUESTION # 34

Which of below sentences describes Project Brief?

- A. Control framework for projects
- B. List of all projects that will be part of programme
- C. Describes purpose, cost, time, performance requirements and constraints of a project
- D. Control framework for programme

Answer: C

Explanation:

The Project Brief is a key document that describes the purpose, cost, time, performance requirements, and constraints of a specific project. It acts as the initial detailed definition of a project within the programme context. The MSP Practitioner states: "Project brief describes purpose, cost, time, performance requirements and constraints of a project," highlighting its role in defining project scope and parameters, which supports effective project delivery aligned to the programme objectives.

NEW QUESTION # 35

Who is accountable for confirming programme closure?

- A. BCM
- B. Sponsoring group
- C. SRO
- D. Programme Manager

Answer: C

NEW QUESTION # 36

Which of following groups can be a stakeholder for building a city programme?

- A. Employees
- B. People interested in being residents
- C. Political leadership
- D. All of above

Answer: D

Explanation:

All the listed groups are valid stakeholders in a city-building programme. MSP recognizes that stakeholders can be diverse, including internal groups like employees, external political leadership, and the wider community such as potential residents.

The MSP Practitioner notes: "All are valid stakeholders in programme," emphasizing the importance of identifying and engaging a broad spectrum of stakeholders to ensure programme success.

Inclusive stakeholder management supports better decision-making, risk mitigation, and benefits realization by addressing varied needs and expectations across the stakeholder landscape.

NEW QUESTION # 37

Which of the following is a critical organizational element?

- A. Quality management and assurance
- B. Leading change
- C. Stakeholder engagement
- **D. Delivery mechanisms for change**

Answer: D

Explanation:

The critical organizational elements in MSP include Corporate strategy, Delivery mechanisms for change, and the Business as usual environment. Delivery mechanisms for change refer to the structures and processes organizations use to implement and manage changes introduced by programmes. These elements are foundational to effective governance and ensure alignment with strategic objectives. Other options like Leading change and Stakeholder engagement are important but classified differently within MSP's framework.
