These practice tools are developed by professionals who work in fields impacting DASC certification, giving them a foundation of knowledge and actual competence. Our DASC SDS Exam Questions are created and curated by industry specialists.

PassCollection Is Here To Provide Top-Notch DASC SDS Exam Questions

As is known to us, internet will hurt their eyes to see the computer time to read long, the eyes will be tired, over time will be short-sighted. In order to help customers solve the problem, our Senior Data Scientist test torrent support the printing of page. We will provide you with three different versions, the PDF version allow you to switch our SDS study torrent on paper. You just need to download the PDF version of our SDS Exam Prep, and then you will have the right to switch study materials on paper. We believe it will be more convenient for you to make notes. Our website is very secure and regular platform, you can be assured to download the version of our SDS study torrent.

Pass Guaranteed High Pass-Rate SDS - Senior Data Scientist Exam Score

We understand you not only consider the quality of our Senior Data Scientist prepare torrents, but price and after-sales services and support, and other factors as well. So our Senior Data Scientist prepare torrents contain not only the high quality and high accuracy SDS Test Brindumps but comprehensive services as well. By the free trial services you can get close realization with our SDS quiz

guides, and know how to choose the perfect versions before your purchase.

DASCA Senior Data Scientist Sample Questions (Q13-Q18):

NEW QUESTION # 13

Which of the following is NOT a valid section of Big Data Strategy document?

- A. Key decisions
- B. Business strategy
- C. Key business entities
- D. Key business initiatives
- E. Business decisions

Answer: E

Explanation:

A Big Data Strategy document provides a framework for aligning data initiatives with organizational objectives. It typically includes: Business strategy (Option A): Ensures that big data initiatives align with overall corporate strategy.

Key decisions (Option B): Identifies the decisions data will help optimize or automate.

Key business initiatives (Option D): Links big data projects with critical organizational initiatives.

Key business entities (Option E): Defines the core entities (customers, products, channels) around which data will be organized.

However:

Business decisions (Option C): This is redundant and not a standard section; "key decisions" covers this aspect already.

Thus, the correct answer is Option C (Business decisions).

Reference:

DASCA Data Scientist Knowledge Framework (DSKF) - Big Data Strategy and Business Alignment.

NEW QUESTION # 14

Semi-structured data does NOT include:

- A. Schema-full data
- B. File systems
- C. Database system
- D. Scientific data

Answer: A

NEW QUESTION # 15

JSON takes hierarchical data structures and serializes them into:

- A. None of the above
- B. Any desired format
- C. Plain string format
- D. Plain text format
- E. Both A and B

Answer: E

Explanation:

JSON (JavaScript Object Notation) is a lightweight data-interchange format widely used for storing and exchanging structured or semi-structured data. JSON allows hierarchical (tree-like) structures, such as nested objects and arrays, to be serialized into a textual representation.

Option A (Plain text format): Correct. JSON files are stored as plain text, making them human-readable and language-independent.

Option B (Plain string format): Correct. JSON objects are transmitted as strings across networks (e.g., via APIs, RESTful services).

Option C: Incorrect. JSON does not serialize into "any format," but specifically into text/string-based formats.

Option D: Correct. Since JSON is both plain text and transmitted as string format, the right answer is both A and B.

Option E: Incorrect.

Thus, JSON serializes hierarchical data into plain text and string formats.

Reference:

DASCA Data Scientist Knowledge Framework (DSKF) - Data Engineering Tools: Data Serialization Formats (JSON, XML, Avro).

NEW QUESTION # 16

Which of the following is correct?

- A. Both A and B
- B. The central object in Pandas is called a DataFrame
- C. All of the above
- D. DataFrame is similar to SQL tables or R data frames
- E. A data frame is a table with rows and columns

Answer: C

Explanation:

Pandas is one of the most widely used Python libraries for data analysis and manipulation. Its central object is the DataFrame.

Option A: Correct. DataFrame is the core data structure in Pandas.

Option B: Correct. DataFrame resembles SQL tables and R data frames, supporting row/column indexing, joins, and grouping.

Option C: Correct. A DataFrame is essentially a 2D labeled table consisting of rows and columns.

Option D: Correct, but not fully inclusive.

Option E: Correct, since all of A, B, and C are true.

Thus, the best answer is Option E (All of the above).

Reference:

DASCA Data Scientist Knowledge Framework (DSKF) - Programming for Data Science: Pandas Data Structures.

NEW QUESTION # 17

Which of these statements reflects a null hypothesis?

- A. There will be a significant difference between group 1 and group 2
- B. As temperature increases, so too will the level of aggression
- C. There will be no relationship between caffeine consumption and performance
- D. Men will score higher than women on spatial awareness
- E. Women will score higher than men on empathy

Answer: C

Explanation:

A null hypothesis (H_0) is the default assumption in statistical testing that there is no effect, no difference, or no relationship between variables.

Option A: Correct. This states explicitly that there is no relationship between caffeine consumption and performance # fits the definition of a null hypothesis.

Options B, C, D, E: These all hypothesize differences or relationships # they are examples of alternative hypotheses (H_a), not null.

Thus, the correct answer is Option A.

NEW QUESTION # 18

.....

The catch is that passing the DASCA SDS exam is not as easy as it seems to be. It requires sheer determination, a thorough understanding of each topic, and critical thinking when posed with tricky problems. That is the reason why PassCollection have come up with a solution by providing the most updated prep material created under the supervision of 90,000 experienced DASCA professionals. This SDS Exam Dumps is made to polish your abilities, help you understand every topic, and pass you DASCA SDS exam on your first attempt.
