### NEW QUESTION # 61

While deciding on how the work of the project should be approached the following were considered.  
Which statement is appropriate for inclusion in the project approach heading in the Project Brief?

- A. The Project Manager will involve the selected service provider in the creation of the Stage Plan for stage 4.
- B. The detailed designs (future process, systems, operating and organization models) will be based on the existing high-level designs.
- C. New up-to-date software will be obtained to produce the graphical sections of the Project and Stage Plans.

**Answer: B**

**NEW QUESTION # 62**

Which 2 statements should be recorded under the Major risks heading?

- A. Owing to employment contract changes staff may resist outsourcing, which would make it difficult to transfer staff to the selected service provider.
- B. MFH's operations may be reduced and the 1a-year contract may not achieve its estimated value of E80m, which would reduce the service provider's profit.
- C. The management stages recommended by the consultants may not be appropriate, resulting in confusion in planning.
- D. Due to market conditions a suitable service provider may not be found, possibly leading to premature closure of the project.
- E. The initial estimates, taken from the feasibility study report, indicate that the project will take two years to complete, which means that the business problems would remain for this period.

**Answer: B**

**NEW QUESTION # 65**

Scenario

Product Summary

A list of customers will be collated. This will use existing information from the Accounts department about current customers, and existing information from the Marketing department about prospective customers.

Using the tariff of mailing costs available from the Post Office, a production cost forecast will be produced to allow the CEO and the Marketing Director to decide whether to continue with the project. If they decide to continue, they will give the approval to launch

the internal label design competition. Competition rules will be required to communicate details of the competition to the staff. The chosen label design will then be selected from the competition entries.

The photos for the calendar must be based on existing photo design ideas available from the Marketing department. The selected photos will be chosen from these. Monthly calendar displays will be created to show the required layout of each page.

Product Breakdown Structure (contains errors)

Extract from Stage Plan for stage 3.

(All entries are true statements but may not be shown under the correct heading or in the correct document).

Using the Project Scenario and the Extract from Stage Plan for stage 3 provided as additional information for this question in the Scenario Booklet, answer the following 5 questions.

The Stage Plan for stage 3 has been produced.

The Engineering Manager insists that there are to be no interruptions to operations whilst photographs are being taken of the engineering staff performing their everyday duties and operating machinery. Two weeks ago the professional photographer produced the photo session schedule based on the operational staff schedule. The operational staff schedule is produced weekly and maintained by the Engineering Manager.

None of the £500 change budget has been used to date and this is available for the stage.

Which 2 statements apply to the External dependencies section?

- A. Move entry 5 to Plan prerequisites because the new company logo will influence the label designs.
- B. Delete entry 7 because it should be shown in the Product Description for the label design.
- C. Move entry 5 to Plan description because the new company logo will be delivered during stage 3.
- D. Delete entry 6 because the customer details were used in stage 2 to create the customer list.
- E. Delete entry 5 because the new company logo is being delivered by a separate project and will be detailed in the plans for that project.

**Answer: B,D**
