## 最新的 Nutanix Certified Professional NCP-MCI 免費考試真題 (Q37-Q42):

### 問題 #37

An administrator needs to configure OpenLDAP in Prism Central.  
Which type of account should the administrator use?

- A. Admin Account
- **B. Service Account**
- C. Root Account
- D. Nutanix Account

答案： B

#### 問題 #38

An administrator needs to migrate an existing VM from a 3-tier ESXi environment to Nutanix AHV. What should be used to minimize downtime during the migration?

- A. Backup and restore the VM
- B. Nutanix Move Agent
- C. Nutanix CCLM
- **D. Nutanix Move**

答案： D

#### 問題 #39

The accounting department has been successfully utilizing Erasure Coding for a long time. During the weekend, there was a large increase in data usage. The administrator expected lower space usage on the storage container. What could be the cause of this low space savings?

- A. Erasure coding auto deactivated
- **B. Erasure coding window default settings**
- C. Prism Central failure in the erasure coding cluster
- D. Data Services IP is not configured

答案： B

#### 問題 #40

An administrator decided to simplify volume group management by automatically enabling vDisk load balancing for better performance.

How can the administrator enable vDisk load balancing by default for volume groups?

- A. For Linux VMs ensure the SCSI device timeout is no more than 30 seconds.
- B. Attach no more than 16 load balanced volume groups per guest VM.
- C. Directly attach vDisk load balanced volume groups to VMs.
- **D. Use the data services IP address for attached volume groups.**

答案： D

#### 問題 #41

A company needs to comply with a new company policy requiring the use of an external, cloud based, recovery point location. To accomplish this task, an administrator needs to strengthen the Disaster Recovery configurations.

What is the most cost-efficient option?

- A. Create a runbook to clone recovery points to an S3 Bucket.
- B. Connect to DaaS domain availability zone type.
- **C. Enable Multicloud Snapshot Technology.**
- D. Add a new NC2 Recovery Location.

答案： C

#### 問題 #42
