Pass 300-430 Exam with Perfect 300-430 Actual Test Pdf by Prep4cram

If you are looking for the latest updated questions and correct answers for Cisco 300-430 exam, yes, you are in the right place. Our site is working on providing most helpful the real test questions answer in IT certification exams many years especially for 300-430. Good site provide 100% real test exam materials to help you clear exam surely. If you find some mistakes in other sites, you will know how the important the site have certain power. Choosing good 300-430 exam materials, we will be your only option.

Cisco Implementing Cisco Enterprise Wireless Networks Sample Questions (Q186-Q191):

NEW QUESTION # 186

An engineer is adding APs to an existing VoWLAN to allow for location based services. Which option will the primary change be to the network?

- A. moving to a bridging model
- B. increased transmit power on all APs
- C. AP footprint
- D. cell overlap would decrease
- E. triangulation of devices

Answer: C

Explanation:

With RRM, if more APs were added to an area, the power to each AP would decrease as it would detect that the APs would be talking over each other.

NEW QUESTION # 187

An engineer wants to upgrade the APs in a Cisco FlexConnect group. To accomplish this upgrade, the FlexConnect AP Upgrade setting will be used. One AP of each model with the lowest MAC address in the group must receive the upgrade directly from the controller. Which action accomplishes this direct upgrade?

- A. Reboot all APs before the upgrade.
- **B. Allocate the master APs to different groups**
- C. Remove the APs from the group
- D. Do not set any master APs. 9 0

Answer: B

NEW QUESTION # 188

Refer to the exhibit. An engineer is creating an ACL to restrict some traffic to the WLC CPU. Which selection must be made from the direction drop-down list?

The screenshot shows the 'Access Control Lists > Rules > New' configuration page. The 'Direction' dropdown menu is open, and the 'Any' option is selected. The other options are 'Inbound' and 'Outbound'. The 'Action' dropdown menu is also open, showing 'Any', 'Inbound', and 'Outbound' options.

- **A. Packet direction has no significance; it is always Any.**
- B. It must be Inbound because traffic goes to the WLC.
- C. It must be Outbound because it is traffic that is generated from the WLC.
- D. To have the complete list of options, the CPU ACL must be created only by the CLI.

Answer: A

Explanation:

If the source and destination are any, the direction in which this ACL is applied can be any.

NEW QUESTION # 189

Which devices can be tracked with the Cisco Context Aware Services?

- A. Cisco certified wireless devices
- **B. wired and wireless devices**
- C. wired devices
- D. wireless devices

Answer: B

Explanation:

Cisco Context Aware Services provide real-time tracking of mobile assets and users by gathering contextual information from networked devices. This service is not limited to wireless devices; it can track both wired and wireless devices within the network. The technology utilizes elements like Received Signal Strength Indicator (RSSI) and Time Difference of Arrival (TDoA) for location tracking and telemetry. NEW QUESTION # 190

The security policy mandates that only controller web management traffic is allowed from the IT subnet. In testing, an engineer is trying to connect to a WLAN with Web Authentication for guest users, but the page is timing out on the wireless client browser. What is the cause of this issue?

- A. The DNS server that is configured on the controller is incorrect
- **B. The implemented CPU ACL on the controller is blocking HTTP/HTTPS traffic from the guest clients.**
- C. Web Authentication Redirect is not supported with CPUACLs.
- D. Web Authentication Redirect is supported only with Internet Explorer, and the client is using Google Chrome.

Answer: B

NEW QUESTION # 191

.....

Your life will take place great changes after obtaining the 300-430 certificate. Many companies like to employ versatile and comprehensive talents. What you have learnt on our 300-430 preparation prep will meet their requirements. So you will finally stand out from a group of candidates and get the desirable job. At the same time, what you have learned from our 300-430 Exam Questions are the latest information in the field, so that you can obtain more skills to enhance your capacity.

New 300-430 Exam Bootcamp: https://www.prep4cram.com/300-430_exam-questions.html

Just practice with our 300-430 learning materials on a regular basis and everything will be fine, Cisco 300-430 Actual Test Pdf You can take advantage of the certification, It is the most straightforward format of our Implementing Cisco Enterprise Wireless Networks (300-430) exam material, Cisco 300-430 Actual Test Pdf This helps improve errors and strengthen preparation, 300-430 study guide is also high quality, and it will help you to pass the exam successfully.

This article will discuss how a programmer can increase code confidence through software testing. Today, you will learn, Just practice with our 300-430 Learning Materials on a regular basis and everything will be fine.

Customizable Cisco 300-430 Practice Test Software

You can take advantage of the certification, It is the most straightforward format of our Implementing Cisco Enterprise Wireless Networks (300-430) exam material, This helps improve errors and strengthen preparation.

300-430 study guide is also high quality, and it will help you to pass the exam successfully.
