High Pass-Rate Authentic GICSP Exam Hub Supply you Effective Certified for GICSP: Global Industrial Cyber Security Professional (GICSP) to Study easily

Perhaps you still have doubts about our GICSP study tool. You can contact other buyers to confirm. Our company always regards quality as the most important things. The pursuit of quantity is meaningless. Our company positively accepts annual official quality inspection. All of our GICSP real exam dumps have passed the official inspection every year. Our study materials are completely reliable and responsible for all customers. The development process of our study materials is strict. We will never carry out the GICSP Real Exam dumps that are under researching. All GICSP study tool that can be sold to customers are mature products. We are not chasing for enormous economic benefits. As for a company, we are willing to assume more social responsibility.

GIAC Global Industrial Cyber Security Professional (GICSP) Sample Questions (Q16-Q21):

NEW QUESTION # 16

What is a common risk of not hardening ICS endpoints, especially in environments using older operating systems?

Response:

- A. Vulnerability to cyberattacks
- B. Decreased network performance
- C. Loss of storage space
- D. Increased system complexity

Answer: A

NEW QUESTION # 17

What is a key security risk associated with devices at Level 2 of the Purdue Reference Architecture?

Response:

- A. Limited data storage
- B. Exposure to remote access vulnerabilities
- C. Excessive encryption capabilities
- D. Physical access to field devices

Answer: B

NEW QUESTION # 18

An attacker crafts an email that will send a user to the following site if they click a link in the message. What else is necessary for this type of attack to work?

- A. The user clicking the link must be an administrator on the network
- B. The attacker must enclose the URL parameter with <script> tags to run the code
- C. The attacker must obtain a session cookie from an authorized HMI user
- D. The user must be authenticated to the HMI interface before clicking the link

Answer: D

Explanation:

Comprehensive and Detailed Explanation From Exact Extract:

The URL indicates a command to disconnect a sensor on an HMI interface, likely part of a Cross-Site Request Forgery (CSRF) or similar web-based attack.

For such an attack to succeed, the user must be authenticated to the HMI interface before clicking the link (C), so that the request is executed with valid session privileges.

(A) Obtaining a session cookie would help but is not strictly necessary if the user is already authenticated.

(B) User administrative rights may not be necessary depending on HMI design, but authentication is essential.

(D) URL parameters generally don't require script tags unless exploiting Cross-Site Scripting (XSS).

GICSP emphasizes authentication and session management as critical controls to mitigate web-based attacks on ICS interfaces.

NEW QUESTION # 19

Which of the following is a facilitated tabletop exercise that is run in odd years and provides an overall public Lessons Learned report each year it is run?

- A. CTEP
- B. CRPA
- C. E-ISAC
- D. GridEx

Answer: D

Explanation:

GridEx (C) is a major, biennial cybersecurity exercise coordinated by the North American Electric Reliability Corporation (NERC) and other stakeholders. It typically occurs in odd years and involves multiple entities from across the grid, simulating large-scale cyber and physical attacks.

GridEx exercises culminate in a public Lessons Learned report to improve preparedness.

CRPA (A) and CTEP (D) are different programs/exercises, and E-ISAC (B) is the Electricity Information Sharing and Analysis Center, not an exercise.

GICSP recognizes GridEx as a critical event for testing incident response capabilities in ICS sectors.

NEW QUESTION # 20

In an ICS environment, what is the Recovery Time Objective (RTO) used to define?

Response:

- A. The average time between system maintenance
- B. The amount of data loss that is acceptable after an incident
- C. The maximum acceptable amount of time to restore a system after an incident
- D. The time needed to detect an incident

Answer: C

NEW QUESTION # 21

.....

The pass rate is 99% for GICSP exam materials, and most candidates can pass the exam by using GICSP questions and answers of us. If you choose us, we can ensure you that you can pass the exam just one time. We will give you refund if you fail to pass the exam, you don't need to worry that your money will be wasted. We offer you free demo to have a try before buying GICSP Exam Dumps, so that you can have a better understanding of what will buy. We have online and offline chat service stuff, and if you have any questions about GICSP exam dumps, you can consult us.

GICSP Certified: <https://www.dumpsmaterials.com/GICSP-real-torrent.html>

So it is very necessary for you to try your best to get the GICSP certification in a short time, Free GICSP Demo Download, Low prices of our GICSP actual test questions, If you have some knowledge of our GICSP training materials, but are not sure whether it is suitable for you, you can email us to apply for a free trial version, The most attraction aspect is that our high pass rate of our GICSP study materials as 98% to 100%.

The most important thing for preparing the GICSP exam is reviewing the essential point, The significant distinctions between consumer and professional DV camcorders come GICSP down to technical specifications, usability features, price ranges, and lens options.
