Salesforce Certified Education Cloud Consultant Exam Sample Questions (Q209-Q214):

NEW QUESTION # 209

The Recruitment and Admissions office wants to use Salesforce to track prospective students, recruitment events, student applications, digital engagement, and interactions with prospects on their mobile devices.

Prospective students communicate via SMS on their mobile devices, social media, and email.

Which solution should the consultant recommend?

- A. Einstein Bots
- **B. Third-party app**
- C. Salesforce Maps

Answer: B

Explanation:

Explanation

The consultant should recommend a third-party app as a solution to track prospective students, recruitment events, student applications, digital engagement, and interactions with prospects on their mobile devices via SMS, social media, and email for the Recruitment and Admissions office. A third-party app is an app that is developed by an external provider and can be installed or integrated with Salesforce to extend its functionality or features. A third-party app can help the Recruitment and Admissions office track prospective students, recruitment events, student applications, digital engagement, and interactions with prospects on their mobile devices via SMS, social media, and email by providing capabilities that are not available in Salesforce or require custom development. The consultant can help the Recruitment and Admissions office find and install a third-party app that meets their needs from sources such as AppExchange or Trailblazer Community.

Salesforce Maps, Einstein Bots, or Marketing Cloud are not solutions that can track prospective students, recruitment events, student applications, digital engagement, and interactions with prospects on their mobile devices via SMS, social media, and email for the Recruitment and Admissions office. NEW QUESTION # 210

The system admin has asked for training so users can learn basic Salesforce functionality at their own pace and track lesson completion. The IT department budget for paid training is very low.

What should the consultant recommend?

- A. Power of Us Hub
- B. Salesforce Einstein
- C. Trailblazer Community
- **D. Trailhead**

Answer: D

Explanation:

Trailhead is a resource that the consultant can recommend for training users to learn basic Salesforce functionality at their own pace and track lesson completion. Trailhead is an online learning platform that provides interactive and gamified content on various Salesforce topics, such as products, features, skills, and best practices. Trailhead also allows users to earn badges and points as they complete modules and projects, and track their progress and achievements. Trailhead is free and accessible to anyone who wants to learn Salesforce. Power of Us Hub, Trailblazer Community, and Salesforce Einstein are not resources that provide training on basic Salesforce functionality. Reference:

com Command Center can be installed in an existing org as a managed package from the AppExchange.

Work.com Command Center does not operate in a separate org, nor does it require leveraging Student Success Hub or using a third-party app from AppExchange. References:
