Student Page

The Student page contains two portlets Student Schedule & Course Schedule. The page links to other portlets namely Advising, Registration and Business Office.

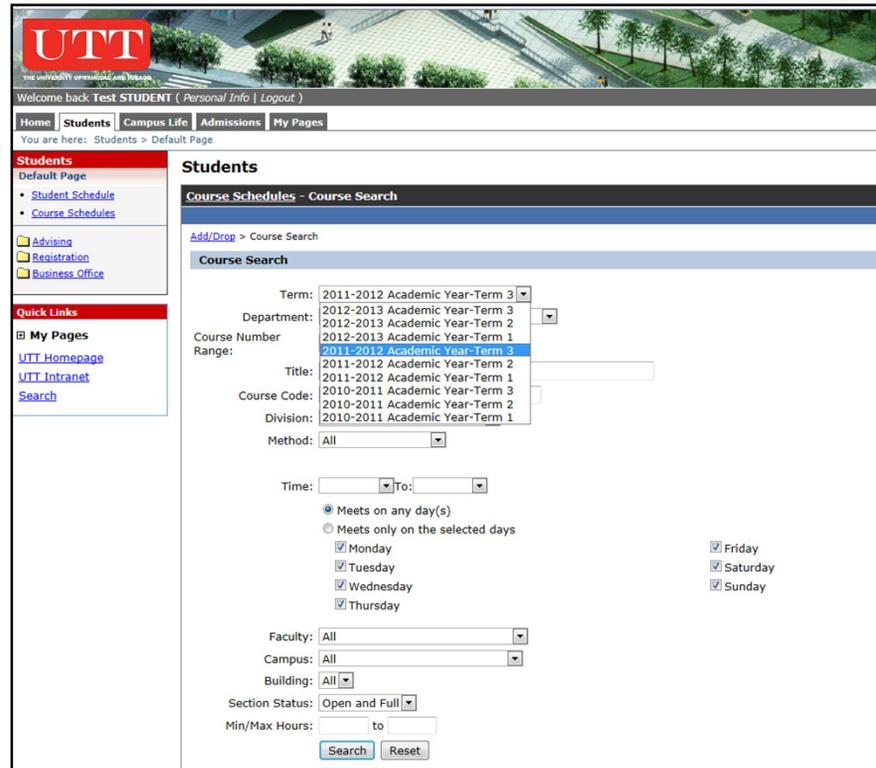

Student may also use the link on the Course Schedules portlets to conduct course searches and to Add/Drop Courses providing the Add/Drop period has not passed.

The screenshot displays the UTT Student Page interface. At the top, there is a navigation bar with links for Home, Students, Campus Life, Admissions, and My Pages. Below this, a sidebar contains 'Students' (Default Page, Student Schedule, Course Schedules), 'Quick Links' (Advising, Registration, Business Office), and 'My Pages' (UTT Homepage, UTT Intranet, Search). The main content area is divided into two portlets: 'Student Schedule' and 'Course Schedules'. The 'Student Schedule' portlet shows a table for '2011-2012 Academic Year-Term 2 - All Divisions' with columns for Course, Title, and Meets, and a message 'No Courses to display'. The 'Course Schedules' portlet includes an 'Add/Drop' section with an alert: 'Alert: The Add and Drop Period is closed but you may be able to add or drop one or more registrations.' Below this, it shows 'Current Term: 2011-2012 Academic Year-Term 2' and 'Add Period Closed / Drop Period Closed'. There are links for 'Add/Drop Courses' and 'Course Search'. A 'Your Schedule (Registered)' table is also present, listing courses like ENVR 6.005.OM.01 and STAT 6.001.OM.01 with their titles and statuses.

Student Page – Course Search Portlet

The Course Search portlet allows the Student to conduct course searches by selecting a number of criteria and clicking the search button.

The screenshot displays the UTT Student Page interface. At the top, there is a navigation bar with links for Home, Students, Campus Life, Admissions, and My Pages. Below this, a breadcrumb trail indicates the user is in the Students > Default Page section. The main content area is titled "Students" and contains a "Course Schedules - Course Search" portlet. This portlet includes a search form with the following fields and options:

- Term:** 2011-2012 Academic Year-Term 3
- Department:** 2012-2013 Academic Year-Term 3
- Course Number:** 2012-2013 Academic Year-Term 2

GPA Prediction

The GPA Projection portlet allows the student to predict their GPA based on the grades received for the courses for in the current semester/term.

The screenshot shows the UTT GPA Projection web application. At the top, there is a navigation bar with links for Home, Students, Campus Life, Admissions, and My Pages. Below this is a sidebar with a 'Registration' section containing links for Academic Information, Ethnicity and Race Portlet, GPA Projection, Grade Report, Student Requests, Student Schedule, and Unofficial Transcript. There is also a 'Quick Links' section with links for My Pages, UTT Homepage, UTT Intranet, and Search.

The main content area is titled 'Registration' and contains a 'GPA Projection' portlet. The portlet header reads 'GPA Projection for: Test STUDENT'. Below the header, there is a text prompt: 'Please select a Division for which to calculate your projected GPA.' A dropdown menu shows 'Masters 1' selected. Below this, there are two tabs: 'Current Term Projection' (selected) and 'GPA Calculator'. The 'Current Term Projection' section displays 'Career GPA: 0.0000' and 'Career Credits: 0.00'. A note states: 'The Career values displayed here include any graded courses listed below.' Below this, there is a text prompt: 'Uncheck the Include checkbox for any un-graded courses you do not wish to include in the projection. For each of the remaining un-graded courses, enter a projected grade and press the Create Projection button. A career GPA estimate will be calculated based on your current career GPA (displayed above) and the grades you provide. Also, a GPA will be calculated for just the selected courses.' A note below this states: 'Note: GPA projection does not take into account repeat logic for repeat courses or for courses that do not count for graduation.'

The 'Course List' section is a table with the following data:

Include	Course	Title	Credits *	Projected Grade
<input checked="" type="checkbox"/>	ENVR 6 002 OM 01	Environmental B	3.00	Select a Grade
<input checked="" type="checkbox"/>	ENVR 6 003 OM 01	Environmental L	3.00	Select a Grade

Below the table, there is a note: '* The Credits column will contain attempted credits for un-graded courses and earned credits for graded courses.' At the bottom of the portlet, there are two buttons: 'Create Projection' and 'Reset'.
