

MEMORANDUM

To: All Students
From: Chief University Librarian
Date: 23rd March, 2020
Re: Library Initiatives during University closure

In order to continue to provide an effective library service to students while the University is closed, UTT Libraries has effected the initiatives below.

1. Assistance will be provided to students who require assistance with the use of library electronic resources or for help with information-related questions. Please contact us at uttlibraries@utt.edu.tt
Please indicate your home campus in your email.
2. The library will waive all penalties relating to the non-return of library resources on loan to you when due.

We look forward to working with you as we get through this period together.
