**Date:** December 04, 2020  
**Subject:** Launch of UTT Open Dialogue

---

The University launches **UTT Open Dialogue** to provide a forum whereby issues and concerns of both staff and students can be addressed.

This highly interactive medium was designed as a platform to unreservedly engage the Chairman and President. UTT Open Dialogue will include:

- Frequently Asked Questions (FAQs);
- Questions received electronically via the Intranet and Student Portal;
- Town Hall meetings;
- Newsletters.

All submissions will be addressed and receive timely and candid responses.

Staff and Students are invited to visit the Intranet and Student Portal, respectively, to view the FAQs and submit questions. These form the first installment of UTT Open Dialogue.

As we continue to work together in our pursuit of excellence, I look forward to hearing from you.
