

## MEMORANDUM

**To: All UTT Students**  
**From: Professor Prakash Persad - President (Ag.)**  
**Date: August 16, 2020**  
**Re: UTT Operations - Academic Year 2020/2021**

---

Please be informed of the following, consequent on the announcement by the Honourable Prime Minister on Saturday August 14, 2020, the following will apply to the operations of the University:

- There will be no “face-to-face” lectures, tutorials, laboratories and demonstration sessions for the Semester I, in the initial instance;
- All instructional delivery will be via online/remote learning mode;
- Student registration will be completed online;
- Examinations and in-term assessments will also be facilitated online.

Trinidad and Tobago, and indeed the world, is facing a once-in-a-century catastrophic, disruptive and dynamically evolving event and hence adjustments will be needed on an ongoing basis. I therefore kindly request your cooperation as we chart the way forward.
